Thankyou

We would like to say a really big thank to the friends for all their hard work with the Christmas Fair. The children loved meeting Santa and the staff room has never looked so good. We really appreciate your support!

Nativity Arrangements

As you know we have been working hard on the nativity, it sounds amazing. We are sending the costumes home today and would like the children to come dressed in them on the **Monday 12th**

December. They can bring their uniform in a named bag and get changed at school after the dress rehearsal. The costumes will stay in school and we will change the children into them for the afternoon performance on **Tuesday 13th December.** They will then bring them home and we ask that you bring your children dressed in them, to the church, for the Evening performance on **Wednesday 14th December.** On that evening we would like the children to be at the church by 5.45pm for a 6pm start.

There will be reserved seating in the church for the children and adults as they come onto the stage from various places in the church. Please could you ensure that you do not sit in these spaces, we have left the pews with the best views for family.

The church does have limited space so we ask that you try to spread out family members across the three performances.
