week:**

Wrens: Emilia

Owls: Rose

Skylarks: Darcie

Kestrels: Harry

**WINNERS!! Einstein
have won three
times and can come
to school in non-
school uniform
(Monday 6th March)**

World Book Day

What a fantastic day we had yesterday! The children and staff looked amazing and we had lots of book filled fun. We raised **£55** for Book Aid International. The Friends also held a book sale to raise funds for the school and made **£49.35**. We have sent photos to the EDP so look out for us in Tuesday's addition. Below are the children who won the best costume prizes.

Science Boffins

Science week starts on the **Monday 13th March** and to celebrate it we will be devoting our whole week to investigations and experiments.

To start this week off with a bang Science Boffin Martin will be arriving in school on **Thursday 9th March**. This has been funded by the Friends, thank you Friends! The day will start with a whole school assembly and then each class will take part in a workshop. The Wrens and Owls will be learning about animals including humans and they will get the chance to explore the question 'how similar are we?' In this interactive workshop they will look at where different animals stand in the food chain.

Skylarks and Kestrels will be taking part in a plasma ball workshop that brings together some visual effects from the film industry with a very scientific slant. We are all very excited about this and will share photographs in the next newsletter.

On **Monday 13th March** the children can come to school dressed as **Mad Scientists** to mark the start of a science filled week.

Dates for you diary

Tuesday 7th March: Skylarks' Gooderstone Gathering 9.05am in hall

Thursday 9th March: Science Boffins Experiment day

Monday 13th March: Mad Scientist Day: beginning of Science week

Tuesday 21st March: Kestrels' Gooderstone Gathering 9.05am in hall

Friday 31st March: Last day of term

Nits

We have had a few cases of nits throughout the school. Please check your children's hair and treat it if necessary.

Let every light shine
