Well done Ellie for achieving her pen licence.

Sports Day

On Thursday 29th June we will be having our sports day. In the morning the children will take part in activities such as standing jumps, water runs, javelin and many more. Points will be given to the children for each activity and this will go towards their house total.

Like last year, at 1.30pm, you are invited to attend to watch the children take part in a variety of races. There will be points for places in each race and that will go towards the house total. As usual there will be a Mum's, Dad's and Toddler's race so make sure you bring your trainers!

On the day we would like the children to come to school with a named water bottle and wearing their P.E kit and a t-shirt in their team colour. If the weather is hot (everyone needs to do their best sun dance) then the children will need a hat and sun cream applied. We can't wait to see you there!

Phonics Check

Next week Owls will be taking part in the Year 1 Phonics Check. This is a National Statutory Assessment, the children are asked to decode a variety of real and pseudo words using their phonics knowledge. The check will take place on Wednesday, we are sure they will do themselves and us proud!
