Gooderstone's Got Talent

A big well done to all the children that took part in our annual talent show. **Katelyn** was our overall winner with her fantastic version of Titanium. Everyone did an amazing job and should be very proud. It takes a lot of confidence to get up in front of parents and the whole school and share your talents.

BeWILDerwood

Monday 3rd July was our whole school trip to BeWILDerwood. We had an amazing time (children and adults). It was a great way to wrap up our Fantasy Worlds theme. A big thank you to friends for funding the whole thing!

Summer Fair

Don't forget the Summer Fair is this **Saturday (8th July)** from **12-4pm** There will be lots of stalls and fun activities for you and your children to enjoy. Please come along with your friends and family and support the school.

Winners!!

Einstein (**green**) have won a non-school uniform day on Monday. So the children in this house can come to school in non-school uniform. The Year six children in this house can come in non-school uniform on the last Friday of term so they don't miss out.

Transition

The next two weeks of school will be transition weeks. This means that the children will be moving up to their new classrooms and spending some time with their new teachers. From Monday morning we would like the children to line up in their new classes on the playground and they will be met by their class teacher and taken to their new rooms. We would like the children to be collected from these rooms at the end of the day. Our new teachers will be joining us for some parts of the transition. Parents of pupils who will be in Kestrels next year (our current Year 3, 4 and 5 pupils) will be very welcome if they would like to pop in to meet Miss Stanley, their new class teacher, on Monday 10th July from 2.55 - 3.15 pm. The children will return to their normal classes on the last Friday of term, when the Year 6 pupils return.
