Star of the week certificates are given out every week in Sharing Assembly. Please join us to hear all about our learning this week.

Thank you!

I would like to take this opportunity to say a big thank you to all those parents who attended the PATHS meeting. We received lots of positive feedback about the meeting and PATHS itself. I would also like to say thank you for your answers to the Big Question they are on display in the entrance way near Kestrels and it seems we all have similar views on what would make a perfect world.

Parents Evening

It was great to see so many parents attending parents evening last night. It is incredibly important to have strong links between home and school as we all want the best outcomes for your children.

There were lots of happy parents and there were some really positive comments about the school which were great to hear!

Please remember that the website has a link to Parent View which gives you the opportunity to have your say about your school.

Clubs

Please let the office know if your child is unable to attend their club. We ask that parents contact us directly rather than through their child.

Federation Day

Federation day is next Thursday and we are very much looking forward to having two visiting authors coming to work with the children. Paeony Lewis will be coming to Gooderstone to work with Foundation and Key Stage One and Alexander Gordon Smith will be at Mundford working with Key Stage 2. They will run workshops throughout the day for the children as will the teaching staff. I am sure the children will have an amazing time.
