## Sports Updates

Congratulations to 25 year 3-6 pupils who attended the Cluster Area Athletics event at Icen Academy on a glorious Monday morning. All participants performed excellently, trying their utmost in hot conditions and as a result, won the Gold Medal for KS2 in the big schools category. Well done to one and all....

Congratulations to Mundford who won the Level 1 Cluster Mixed Cricket tournament at Mundford CC on a very hot afternoon winning all three matches! They have qualified for the next round which takes place on the 13th June, also at Mundford CC.

## Summer Term Improvement Focus – Maths Meetings

This term we have introduced Maths Meetings. Often we find children do well in lessons when a topic is being taught, but then forget this when we move on to a different area of Maths. There are lots of facts (from the days of the week, to the conversion between measurements) that children need to know to be successful in solving problems. Maths Meetings are a quick & fun way of practising facts every day to fix them in the children's long term memory.

Accompanying this newsletter, you will find a sheet with information about the specific Maths your child's age group should know, along with ideas for reinforcing this at home. We hope this will help you to help them become confident and enthusiastic mathematicians!

## Year 6 Residential

From 4<sup>th</sup> – 8<sup>th</sup> June, the Year 6s will be away at Lakeside, in Cumbria, accompanied by Mrs Galletly, Mr Burt, Mrs Eyres and Mr Rolph (Chair of Governors). While they are away, Cedar Class will be taught by Miss Beaumont & Miss Brown. Should you have any queries while Mrs Galletly is away, then please speak to Miss Brown instead.

## Your Governors

As well as speaking to our teaching staff, if you ever have any concerns or comments these can be taken to our governor's, who can raise them at a Governor's Meeting. A full list of our governors can be found on the website at:
