

Mundford Mail

The newsletter from **Mundford C of E Primary School** - Your school, your news!

Mrs Galletly's Retirement

We would like to offer former pupils, parents and members of the village community the opportunity to say goodbye to Mrs Galletly and wish her well for her retirement. You are invited to join us for afternoon tea in the school hall. We hope you will be able to join us on Friday 20th July, from 4:00pm, to share a cuppa, some cake and lots of happy memories. We look forward to reminiscing with you soon.

Please RSVP to Janice in the school office by Wednesday 18th July.

Please note: this event is not for current pupils, who will have their own opportunities within school to say goodbye to Mrs Galletly.

Summer Term Improvement Focus – Maths Meetings

We hope you found the information about Maths that was sent home before half-term useful. On the back of this newsletter is a questionnaire. We would really appreciate you taking the time to fill it in and let us know any thoughts about how we can further improve Maths.

PTA Summer Fair

The PTA Summer Fair will be held on the school field on Saturday 23rd June from 1:00 – 4:00pm. All are welcome, but please remember this event is not run by school staff so you are responsible for your own children. For safety reasons, the adventure playground, trim trail & jungle gym will be cordoned off. Apart from the hall, the rest of the school building will also remain locked.

School Disco

The next school disco will be held on Friday 29th June. Please note this event is again organised by the PTA and supervised by volunteers. If your child has any particular needs that the adults need to be aware of, can you ensure you make this known when purchasing a place? Places can be bought before and after school in the library area from Monday 25th June. See separate flyer for more details. In order to avoid children losing tickets, they will not receive an actual ticket this time, but instead we will record names of children attending.

Maths Questionnaire

As part of our School Improvement Focus this term, we would like to know your thoughts about Maths. We would really appreciate it if you have the time to complete and return the questionnaire below to school – your responses will be kept anonymous.

- 1) How often does your child do Maths activities at homework?
(e.g. play games, telling the time, practise counting/measuring skills etc. maths homework, online games)
- every day at least once a week less often**

- 2) What type of Maths activities do they do at home?

- 3) We have recently introduced daily Maths Meetings in class to help children learn key Maths skills.

- a) Were you aware of the Maths Meetings?

yes/no

- b) Have you noticed any differences in your child's confidence or attitude to Maths since Maths Meetings have been introduced?

yes/no

- c) If you have visited a Maths Meeting or a Maths-themed Mundford Junction, how useful did you find it?

- 4) Is there any additional information or support the school could give you to help your child with Maths?

Thank you for your time
