Open Afternoon

On Tuesday 3rd July we will be holding our open evening for parents to come in and look at children's classrooms, books and work on the walls. We hope to see you all there, there is a lot to show and much for the children to be proud of.

Gatherings.

Owls' had their gathering on Tuesday and made some very 'interesting' superhero drinks. They were measuring out lots of liquids, to add to their drink as well as marshmallows and chocolate drops. The children then had to write their recipes out and most important drink them! This marks the end of the Gatherings for this academic year, we would like to say a huge thank you to those parents that have attend to support their children in their learning. We look forward to seeing you all in September.
