*Work*

*At the end of the academic year we normally send home the children's work. This year we will be sending home their artwork only, we are likely to be visited by Ofsted in the autumn term and will need the books for this. Once we have had our Ofsted we will return the books to you.*

*Sports team hoodies.*

*With the fantastic takings from the bake sales we were able to pay for our hoodies in record time. A massive thanks to our Friends who work tirelessly raising money for the children in the school.*

*Summer Fair.*

*It was certainly a hot one! The weather was very kind and the Friends did a wonderful job of putting on activities and displays. They raised an amazing £1442.35 which is a record. A huge thankyou to all of you that donated prizes and attended the fair.*

*Cake Raffle Total*

*With the sports hoodies being purchased, our next aim is to buy a class set of Ukuleles. They cost £22 each, so we will need a bit more cake eating to reach our total.*

*This week the cake raffle raised an amazing:*

*£ 48.20*

*Overall Total*

*£258.20*

*Change*

*I would like to take this opportunity to say a huge thank you for supporting me over the last few years as Head of School at Gooderstone. Although my role has changed my passion for ensuring the best education for your children will remain firm. Miss Stanley is a talented teacher and will be a true asset to the day to day management of the school when I am not there. I know that this is a time of more change and this will be unsettling for many of you but know that we, although a small staff, have big ideas and the drive to ensure that your children are happy, safe and are continuing to make great progress. Over the course of next year we will continue to run improvement using the BIF (bite size improvement focus) model. These have seen great results and it was heartening to see so many of you getting behind each one. I am always available to discuss any worries you have for next year and wish to thank you for your continuing support.*
