Tuesday 4th December 2018

Dear Parents/Carers,

As the winter weather is creeping in the mud is becoming a real issue at lunchtimes and playtimes. Although most of the children are brilliant at taking their shoes off that pesky mud still spreads itself far and wide along our central corridor and even manages to visit the office!

We are keen for the children to still be able to use the field and play equipment during the winter months but need to do something to protect the carpets. So we are investing in wellington boot racks for each classroom. As of January children will come through the backdoors of their classrooms after playtimes and lunchtime. Here they can change from their outdoor shoes/ wellington boots into school shoes or plimsolls to wear in class and around the school. Children are welcome to have a pair of plimsolls to wear in class instead of school shoes if you would prefer. The racks will have covers to protect the shoes during the day and will be taken in at night. They also have a shelf which can be used to store the children's outdoor trainers (they use for P.E and daily mile).

We are hoping that this approach will help to keep the school mud free for all the children, staff, visitors and of course our caretaker Mr Savory.

Yours Sincerely,

Mrs Godbold
