**Tuesday 8<sup>th</sup> January 2019**

Dear Parents,

As most of you are aware we are currently running whole school improvement using our BIF (Bite Sized Improvement Focus) approach and this has worked well for reading, handwriting and problem solving. We are currently in the middle of a whole federation spelling BIF and are looking forward to seeing a big improvement in spelling across all the year groups.

Alongside this BIF we will be running one on assessment with a focus on attainment and progress. To kick this off we would really like to get a baseline of your thoughts and feelings. Attached to the letter is a survey asking you key questions that will help us tailor the information that you receive about your child based on your answers. We will then be putting on sessions to help explain what is expected of your child at their age and what progress and attainment look like in each year group.

Please could you take the time to complete the questionnaire and send it back to us by Monday 14<sup>th</sup> January. School and home need to work together to ensure that your children are receiving the best education possible.

Many thanks,

Mrs Godbold.
