<p><b>Worship Theme:</b> Sacrifice</p> <p><b>Scientist of the Week:</b> Oak: Larna Hazel: Oliver Maple: Tommy Cedar: Teddy Rowan: Zac Elm: Jake</p>	<p>We've had a wonderful Science Week. Oak Class have been making things to investigate the weather. In Hazel, they've been investigating how strong spaghetti is and learning all about Lego. Maple Class have been investigating how static electricity is created and how it attracts objects. In Cedar, it's been all about pulse rates and investigating how different exercises, stress and anxiety affect it. There was a Science themed Mundford Junction for Rowan Class. Finally, Elm Class have also been making measuring equipment to monitor the weather, drawing on their maths skills to be precise and accurate.</p> <p>And it doesn't stop there ... to keep the enthusiasm going, next we have some visitors who work in different areas of science coming to talk to the children about what they do and in April the children will use their science skills to take part in a CSI day.</p>

### Netball Success

On Wednesday, seven Year 6 pupils took part in a High-5 Netball Tournament at Thetford Academy. We were part of the big schools competition and, after five matches, came second overall - tying with the top team on points and only losing out on winning overall due to goal difference. The team has qualified to go through to the next round of the competition held at the UEA Sportspark in June. Well done to everyone involved! As well as their success on court, we were also really proud of the children's excellent behaviour, their positive attitude and how well they worked together and supported each other.

### Maple & Cedar Performances

Cedar & Maple will be performing their play for parents to watch in the afternoon on 30<sup>th</sup> April & 2<sup>nd</sup> May. Further details and booking forms for tickets will be sent out later to pupils in those classes.

### House Point Team Winners

As the **Saxons** have been the winning house team three weeks in a row they have won a non-uniform day on Monday 25<sup>th</sup> March. Please remember they need to wear clothes suitable for a day at school.

. . . encouraging excellence in everyone.
