## Skylarks Gooderstone Gathering

This morning Skylarks and some of their parents enjoyed a drama session about Alice entering Wonderland. We acted out Alice falling down the rabbit hole and all the things she saw on her way down. There were some very inventive ways of acting as cupboards, maps and upside-down Alice! We then each thought of a sound that Alice might have heard walking through Wonderland and put them together to make a soundscape.

Thank you very much to the parents who came along and got into the spirit of things with some fantastic acting skills!

## Year 5 cycling road safety training

The photo of the Year 5 children will hopefully be in Monday's EDP edition.

## CSI Workshop!

We had an amazing visit from a former Detective Inspector and forensic expert who taught us all about fingerprints and how to take them from a crime scene. We had to solve a crime (a theft that happened at school) by taking fingerprints from a CD and analysing them to see who had committed the crime. Our three suspects were a nasty-looking Miss Stanley, a shifty-looking Miss Blakie and a nervous-looking Mrs Chalkley.

In the end, we found out that Miss Stanley was the culprit! We will be keeping a close eye on her!

Let every light shine.
