Kestrels Gooderstone Gathering

The theme for the Gathering was stained glass windows. After reading a poem about a broken stained glass window we took a walk to the church to see which had survived the test of time.

We then used these, and our topic of Alice in Wonderland to create some stained glass windows to replace the plain ones in the church.

If you would like to see them, please come and have a look in the classroom.

Owls Gooderstone Gathering

The theme for our gathering was art. We focussed on the famous artist Vincent van Gogh and learnt about his unique style. The children were fascinated to learn about his life and that he 'cut off his ear!' We focussed on sketching a vase of flowers, then selecting the correct paints to create their masterpieces. The parents got involved too and produced some lovely pieces. It was great for the children to work with their parents and be inspired by them.
