Bake For Heroes Bake Sale

School council has decided that children in all classes can bring in decorated cakes and each class's children will vote on the cakes they find the best decorated. School council have also made posters to promote the event for people in the village to come to the bake sale. This will be held on Friday, 21st June after sharing assembly and after school.

Governor Update

Due to the resignation of one of our parent governors we will be running elections in September. If you would like to know more about the role, please see Mrs Godbold.

Guinea Pigs

Kestrels have two new furry additions to the class. The children used their attendance wins to buy two Guinea Pigs named Ginger Nut and Liquorice, we are of course already in love with them. They are slowly getting used to their surroundings and are very much enjoying the lashings of dandelion leaves they are being fed. Please note that the children will only handle the guinea pigs under close supervision of an adult. Feel free to pop in and see them.

Sports Day

If the weather is kind and it remembers that it is summer, we should be having our sports day on Monday. If the rain continues it may mean that we will have to postpone sports day to allow our field to dry out. We will text you before school to let you know if this is the case.

If you do not hear from us, then sports day is on and the children can come to school in their sports kit.

Please do your best sun dances over this weekend. We look forward to seeing you at 1.30pm for the races (don't forget your trainers for adult races).
