Tag Rugby Tournament

On Wednesday we were so proud of how the children performed at the tag rugby festival. The Year 3 and 4 children demonstrated some excellent rugby skills and will certainly be putting them to use in future games. The Year 5 and 6 team absolutely smashed the competition winning every single match (6-3, 6-0, 8-3, 10-0). They really did the school proud both in their huge achievement of coming 1st place and also in their exceptional sportsmanship.

Thank you so much to all of the parents who stayed to support, especially since it was absolutely freezing! The children really loved having you there.

Bishop of Norwich's visit

On Thursday we were honoured to have a visit from the newly appointed Bishop of Norwich- the Rt Revd Graham Usher. We welcomed the Bishop with an assembly by Miss Blakie about cooperation and competition and a school tour. Our head girl, Molly, also presented the Bishop with one of our holding crosses which were made from an olive tree in Bethlehem. The Bishop enjoyed his visit and liked discussing the children's learning with them. It was lovely to have the opportunity to show some important visitors our lovely school and how kind, caring and hardworking the children are.

Flu Immunisation

Please ensure that you have completed the online form to consent to your child having the Flu immunisation. This needs to be done by 25th November and the immunisation will happen on the 3rd December. If you wish to decline the request, please ensure you still complete the online form.

Dressing for the weather

It really seems that winter is upon us now! The weather is certainly a lot colder and it looks unlikely we have seen the last of the rain. Because of this, please ensure that your child is dressed appropriately for this typically British weather. We really enjoy going out in all weathers and the children really benefit from learning outside. Each classroom has welly racks so please feel free to let the children come to school in winter boots/wellies and then change into their plimsolls for the classroom.
