Executive Headteacher: Mrs Godbold

Monday 16th March 2020

Dear Parents/Carers,

Over the course of last week, staff from both academies in our Federation have been coming up with a plan to ensure that your children will still have access to learning at home if a school closure is necessary. Currently the Government advice is to stay open and continue as normal, if that advice changes and we are forced to close we will be following the plan below.

Self-isolation:

If you or your child are asked to self-isolate then **ALL** members of your family must do so, please do not bring siblings into school. Obviously if we are open we will still be teaching the bulk of the children in the school. As the numbers of children being absent increases we will be unable to provide each individual with bespoke work. So in order to ensure that children in isolation still have access to work we will be posting what we are learning each day for you to follow at home, this will begin as of tomorrow **Tuesday 17th March 2020**. You find this information on our Facebook pages or school Website.

On the day of closure:

- Children will be given an exercise book to record their home learning in and we ask that they bring it back in once the closure is over.
- Children will be given a collection of reading books to take home and read.
- Class teachers will give children various other activities linked to their age group and current learning.

During closure:

- Each day class teachers will upload an English, maths and two Foundation subject tasks for your children to complete. If any of our staff should contract the virus during closure the teacher in the same year from the other academy will post tasks.
- These tasks will be uploaded to our brand new Facebook pages and on each class' page on our website.
- Links to a selection of useful learning websites can be found at the bottom of each class page on the main school website.

- We will keep you informed of the latest news through MyEd and emails from pupil asset.
- If you need to reach us email the office or use Facebook and we will get back to you as soon as possible.

Government Advice:

<https://www.gov.uk/government/topical-events/coronavirus-covid-19-uk-government-response>

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance>

For now, it will be business as usual with all school events going ahead. Currently Holt Hall will still be going ahead until we are advised otherwise. We will continue to keep you updated with information as and when we get it. In the meantime, if you, your child or any member of your family develop symptoms of Corona Virus then please let us know as soon as possible.

Yours Faithfully,
Sarah Godbold.
