Friday 20th March 2020

Dear Parents/Carers,

As of the end of today we will be closed to the majority of the children in the school for an undefined length of time. I know this will be a very difficult time for all the children especially for the Year 6 children who face the likelihood that they will not finish their school year with us. We are very sad to not give them the send-off that they deserve and will miss them terribly.

The next few months are set to be very difficult for everyone and as a community we have to pull together to look after each other. We ask that you adhere to the government guidelines to ensure that you keep you and your family safe.

As many of you will be aware we will be opening for children of Keyworkers needed in the response to Covid-19. Many of you have already identified that you will or will not need the school to provide a place for you. The LA have been very clear in their message that in-school provision is **ONLY** for those keyworker families **who really cannot** keep their children at home. Schools are opening their doors to help key worker families continue their work, it is important that we are reducing the risk of spreading Covid-19, so please only send your children if absolutely necessary. As before if you or any of your family develop one or more of the symptoms then please follow the government guidelines on self-isolation.

We will continue to post activities and lessons for your children each day on both our website and our Facebook pages (see attached letter). We will keep you updated with any new information as and when we get it. If you have any queries, then please get in contact.

Look after yourselves and stay safe,

Yours Faithfully,
Sarah Godbold.
