Mrs Godbold's Writing Challenge.

Story starter!

Brian had often bought things from the market that had turned out to be the most outrageous, disappointing fakes.

He had presumed that the magic biscuits would have been exactly the same. How wrong he had been...

Question time! – When you write your story could you think about these questions?

What had happened when Brian fed the biscuits to his dogs?

How quickly did they grow to this size do you think?

Did Brian give the biscuits to anything/anyone else?

Have the creatures stopped growing?

How will Brian keep them as pets?

What are the benefits/problems with having such enormous pets?

Is there a way for Brian to restore his animals to their original size?

Sick sentences!

The sentences at the bottom of the page, **in blue**, are 'sick' and need your help to get better. Can you help? Think about using some of these sentences in your story.....but can you improve them by adding adjectives (great describing words).

Maybe add some more sentences before and after them to make your story interesting.

Think about using different words to start each sentence.

What are the dogs called?

The dogs ate the biscuits. They started to grow really fast. Now they are big. They need to eat a lot of food.

Now look back at the Question time slide.
Have you got the answers to the questions
in your story?

If not - where could you add bits?

Finally

Perfect picture!

Imagine Brian gave the biscuits to a
different animal. Can you draw what they
would look like before and after?
