

## A photograph of a metal bucket filled with wooden sticks, with several sticks lying on a blue surface in front of it. The sticks have numbers and the phrase "zap it!" written on them. The numbers visible are 17, 20, 14, 18, 19, 2, and 3. The phrase "zap it!" is written on two sticks.

Three colorful paper lanterns are displayed on a green surface. From left to right, they are purple, blue, and pink. Each lantern has a pleated or ruffled design around its middle section and a handle at the top. The background is a plain, light-colored wall.

Can you think of interesting ways to practise letter formation? I would like to see pictures.

Phonics; Today we are revising the sound 'th' as in three.

Remember to read everyday.

# Maths Super Tricky Challenge!.

## Maths Mastery - Multiplication and Division

4. Two friends would like to buy some sweets from the shop but want to share them equally with none left over. Which bag of sweets should they buy? How do you know?

## Maths Mastery - Multiplication and Division

5. Insert the missing numbers to make these number sentences correct.

$$20 = ? \times ?$$

$$? \div ? = 10$$

## Maths Mastery - Multiplication and Division

2. Would you rather have 3 boxes with 10 biscuits in or 5 boxes with 5 biscuits in? Explain your reasoning.

Would you rather have 4 trays with 5 apples in or 2 trays with 10 apples in? Explain your reasoning.

## Maths Mastery - Multiplication and Division

6. Can you write some number sentences to link the following numbers together?

## Maths Mastery - Multiplication and Division

7. Which of these number sentences is the odd one out? Explain your reasoning.

$$40 \div 2$$

$$4 \times 5$$

$$20 \times 0$$

$$2 \times 10$$

## Maths Mastery - Multiplication and Division

3. True or false? Explain your reasoning!

$$2 \times 10 = 5 \times 4$$

$$2 \times 6 = 3 \times 5$$

$$5 \times 5 = 10 \times 3$$

I hope you enjoyed researching Japanese Festival. This week we are focussing on Japanese **Art and Crafts**.

Choose the activities you would most like to do, (or do some of your own) and present them creatively! You can present your work however you like, for example, in the form of artwork, a scrapbook, a PowerPoint.

Suggested activities for Japanese Culture. (Please feel free to do your own if you would prefer.)

- REMEMBER, you do not have to do all of these in a week, they are just ideas. Have fun.
  - Koi fish are beautiful fish that hold special symbolism in Japanese culture. Koi ponds are placed in beautiful, tranquil settings and Japanese gardens. Have a go at creating your own picture of a Koi card. Here is a link for an idea on how to use Salt painting.  
<https://thecraftyclassroom.com/crafts/japan-crafts-for-kids/>
  - Can you research some designs that are on Japanese fans. Have a go at making your own.
  - <https://www.thesprucecrafts.com/origami-for-kids-4162883> Japanese origami is the art of paper folding. Why not have a go at some, there are lots of online tutorials to help you.
  - Shodo is the Japanese art of Calligraphy. Can you research how to write your name in Japanese and use black paint to create the effect of calligraphy.
  - In Japanese culture it is thought that Yukimi-Gata lanterns symbolize the cycle of life. Can you make your own paper lantern. <https://innerchildfun.com/2013/07/how-to-make-easy-paper-lanterns-japan.html>
