Stages of Growth - Sequencing Sheet

teenager	child	adult	toddler	baby	elderly
					

Talk About It

What job would you like to do when you are an adult?

Talk About It

Do you know any teenagers? What are they like?

What do babies need? Can you write a list? Can you write Top Tips for caring for a baby?

Share out 15 biscuits between your favourite 5 toys. How many biscuits does each toy have? Is it fair?

Cut up an apple into 8 slices. If you shared it equally between yourself and a friend, how many pieces would you have each?

Make a cake for some friends and share it out. If you cut it into 12 pieces and there are 4 people, how many slices could each person have?

If a packet has 20 sweets in and you share them equally between you and 3 friends, how many will you get each? Draw 20 sweets on a sheet of paper, equally sharing them into the 4 corners of the paper. Count how many are in each corner.

Phonics; Today we are revising the sound 'ear' as in fear.

Name _____		stage	
ear like in			
		gears	
 spear	 tear	 year	 ear

Remember there are lots of games you can access on Phonics play for free at the moment to support phonics learning. Username: **march20**
Password: **home**

The 'ear' Sound

Write the 'ear' word to match the picture.

	
_____	_____
	
_____	_____

Can you write a sentence with the 'ear' sound?

354 x 500

Remember to read everyday.

Can you practise forming letters?

Using Exclamation Marks

To show anger:
"I hate you!"

 To show joy:
"Those flowers are so lovely!"

To show surprise or excitement:
"I can't believe that you came first!"

To ask for help:
"Please help me!"

We also often use exclamation marks after one word or after a short word.

"Oh! I'm so disappointed."
Or "Wonderful! Just what we needed!"

Exclamation Mark or Full Stop?

I can spot sentences that need an exclamation mark.

Read each sentence and add a full stop or exclamation mark to finish it correctly.

1. Jane has lost her shoes _

2. Stop it now _

3. Your work is amazing _

4. It is sunny outside _

5. Don't be cheeky _

Mental Arithmetic

Start with 10 Add 3 Subtract 2 	Start with 8 Double it Add 4 
Start with 7 Subtract 3 Double it 	Start with 6 Add 7 Subtract 3 
Start with 24 subtract 4 Add 2 	Start with 15 add 3 Subtract 6 

If you need a challenge why don't you try and write your own problems using larger numbers then work them out!

Maths

Starfish Spotting

Age 5 to 7 ★★

I can see 28 'arms' on the beach.

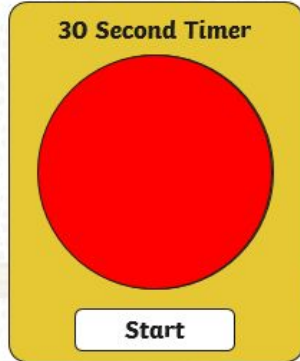

How many children could there be?
How many starfish could there be?

We are continuing with the topic of Our Body this week and today I would like you to consider the human life cycle.

Different Stages of Being a Human

In 30 seconds, think of as many different stages of being a human as you can. Below is a picture to help you start.

Baby

Can you write about each stage? What do babies need? What do they eat

Pretend you are holding a baby. Show how you would carry the baby to keep it safe.

Stand up and pretend to be a toddler. Do some wobbly walking around the room. Try not to fall over!

Toddler

Teenagers

Do you know any teenagers? What are they like?

What job would you like to do when you are an adult?

Adult

When you are older, what hobbies would you like to try?

Can you create a timeline of your life
