

Reception

Can you try doubling these numbers. You could draw your own butterfly then use finger painting to find out the answer.

Have a go at recording as a number sentence.

This week we are starting our now topic of Mexico. Can you find it on a map?

Can you have go at drawing your own map of Mexico?

What is the Capital City? Can you add it to your map?

Can you go outside and draw something. It could be a flower or a tree that you like? Look really carefully at it then sketch it. You could then add colour to your drawing once you have sketched the outline.

Phonics; Today we are revising the sound 'ure' as in pure.

pure

picture

cure

vulture

Remember there are lots of games you can access on Phonics play for free at the moment to support phonics learning.

The 'ure' Sound

Write the 'ure' word to match the picture.

Can you write a sentence with the 'ure' sound?

Remember to read everyday.

Can you practise forming letters?

English – Using conjunctions

Introduction

Rearrange the sentences below so they make sense.

1. apples but I like don't pears

I like

2. black is my he cat and

fluffy is

Would you like some popcorn? Would you prefer some sweets?

so

or

Can you re-write the sentence using the correct conjunction?

Varied Fluency 4

Use the word bank to add the missing conjunctions to the sentences.

so

and

but

or

A. We saw a castle _____ a fort on our class trip.

B. Andy likes watching cartoons _____ his sister prefers playing video games.

C. I want to go to London _____ I can see the famous landmarks.

D. My dad told me that I could choose to set the table _____ wash the dishes.

CLASSROOM Secrets

Mr Chen asks Class 2 to share a sentence using a conjunction.

Bella says,

I have brown hair and brown eyes.

Raheem says,

I have two brothers or one little sister.

Which sentence is incorrect? Explain how you know.

What is a fraction?

A fraction is a part of something. It is a part of a whole.

The red semicircle is a fraction of the whole circle.

The circle is divided into 2 HALVES

So the red part is 1 out of 2 halves = $\frac{1}{2}$

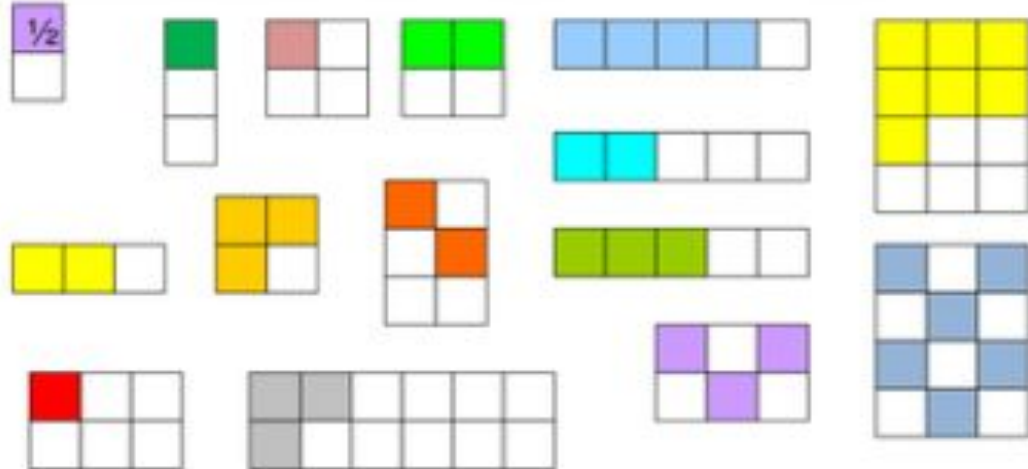

$$\frac{1}{2}$$

What does it mean?

The top number tells us how many parts are in the fraction. (The coloured parts)

The bottom number of the fraction tells us how many parts the whole is made up of.

What fraction of the whole is the shaded area in these drawings?

630 × 206

$$\frac{3}{4}$$

Numerator

How many equal parts do you have?

Denominator

How many equal parts is the whole divided into?

Draw some grids that look like this.

Your challenge is to design some flags using the grids that are half RED and half GREEN. How many different designs can you make?

If you want an even trickier challenge can you design some flags that are a quarter RED a Quarter GREEN a Quarter YELLOW and a Quarter BLUE.

Over the next 4 weeks, for your topic work, you are going to be completing a project about Mexico! Everyone in the school is doing the same project so that if you have siblings, then you can all do similar activities and teach each other things. Activities will be posted weekly with a particular focus (the first one is Climate and Geography)

Choose the activities you would most like to do and present them creatively! You can present your work however you like, for example, in the form of artwork, a scrapbook, a PowerPoint.

Suggested activities for Climate and Geography. (Please feel free to do your own if you would prefer.)

- Can you find Mexico on a map? What is its capital city? What Oceans does it have around it? Can you draw a map of Mexico and add the cities and oceans. Does Mexico have borders with any other countries?
 - What does the flag of Mexico look like? Can you draw it? Does it have a meaning?
 - Are there any mountains, volcanoes, rivers, lakes or deserts. Are there any famous landmarks? Can you research one and make a tourist information leaflet. Can you add pictures?
 - What is the Climate like in Mexico? Does it have seasons? Are some parts of the country hotter than others? How does this compare to England?
 - What is the Capital City of Mexico Like? How is it the same/different from London? What is its population? Can you write a postcard as if you are in Mexico's Capital telling a family member what it is like. You could talk about the temperature, how busy it is, what the buildings and shops are like.
- REMEMBER, you do not have to do all of these in a week, they are just ideas. Have fun.
