

Reception

 7 3 1 9 6 10 2 4 5 8

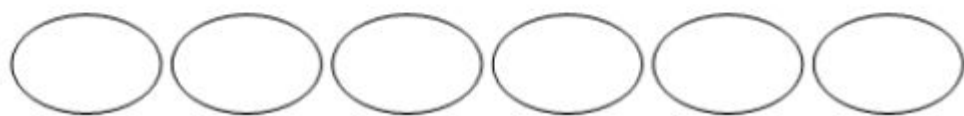

--	--	--	--	--	--	--	--	--	--

This number line has been mixed up, can you put it back in the right order?

16 26 2 30 21 14

17 24 11 28 1 10 19

Now can you sequence these numbers from smallest to largest.

Here are some pictures Mexican deserts. Think of as many adjectives as you can to describe what it would be like there. For example – Dry and Hot. If you can, write in full sentences.

Can you go on a bug hunt. What can you find. Be careful not to disturb the animals.

Phonics;

Revise all sounds learnt so far and practise the ones you are not confident with.

Remember there are lots of games you can access on Phonics play for free at the moment to support phonics learning.

I would like you to continue to think about these tricky words. Practise reading them again, then see if someone can test you with spelling some of them.

Remember to read everyday.

Can you practise forming letters?

Patterns

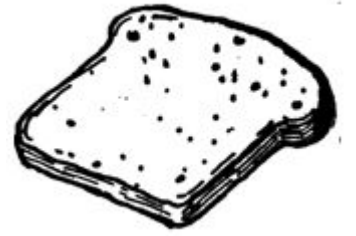

Year 2 Spelling

The **s** sound is spelt with a **c** if it is before **e**, **i** and **y**.

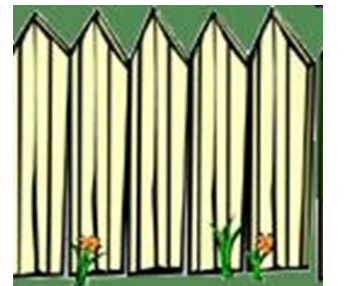

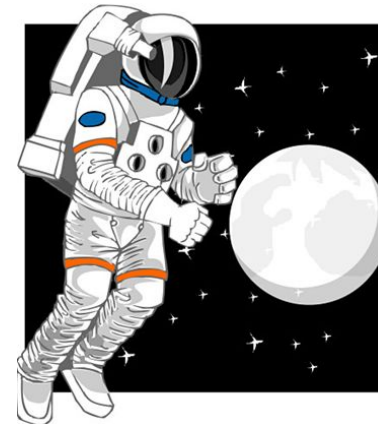

Example words:
race, ice, cell,
city, fancy

twinkl visit [twinkl.com](https://www.twinkl.com)

Have a go at spelling the words to match these pictures using the soft **c** sound.

Apostrophes & Contractions

What is a Contraction?

When two words are joined together to make a shorter form of the word, it is known as contraction.

they are  *they're*

 melloo

©2017 www.melloo.co.uk

Do not	Don't
I am	I'm
Has not	Hasn't
Have not	Haven't
She will	
He will	
Should have	

Do you know the contracted form of the rest of the words?

Write a sentence with the list of contracted words.

Can you think of anymore?

Mental Arithmetic – Doubling numbers. We will focus on this all week so you will be experts!

Doubles Game

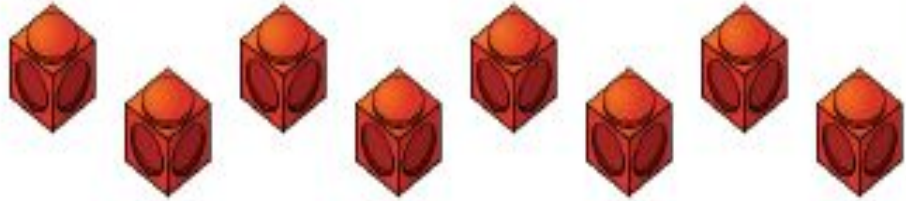

Double 8	Double 13	Double 9	Double 3	Double 18	Double 11
Double 14		Double 7	Double 17		Double 12
Double 20		Double 19	Double 10		Double 8
Double 5		Double 15	Double 18		
START		Double 6	Double 16	Double 4	

Roll a die to move along the board.
Say the double of the number you land on. If you don't know it, move back.

FINISH!

5 Here are some cubes.

Whitney takes $\frac{1}{2}$ of the cubes.

How many cubes does Whitney take?

_____ cubes

Ron takes $\frac{1}{4}$ of the cubes.

How many cubes does Ron take?

_____ cubes

Here are a quarter of the apples from a ² fruit bowl.

How many apples are in the fruit bowl altogether?

Challenges

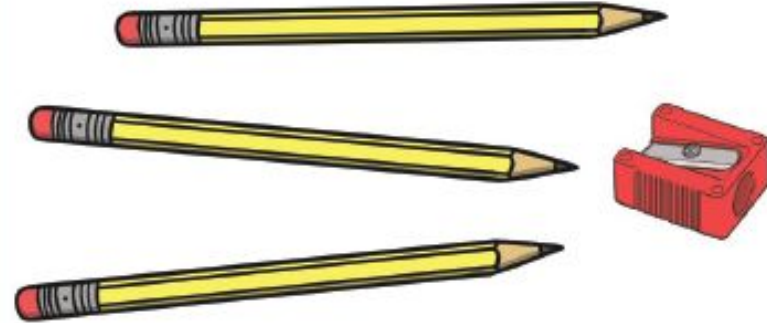

Fraction Word Problems

5. Eva says, " $\frac{1}{2}$ of 20 is more than a $\frac{3}{4}$ of 16." Is she right?

Fraction Word Problems

2. In a box of 24 pencils, half were sharp. How many weren't sharp?

Fraction Word Problems

1. Janik invited 20 friends to his birthday. A quarter of them were girls. How many were boys?

Over the next 4 weeks, for your topic work, you are going to be completing a project about Mexico! Everyone in the school is doing the same project so that if you have siblings, then you can all do similar activities and teach each other things. Activities will be posted weekly with a particular focus (the first one is Climate and Geography)

Choose the activities you would most like to do and present them creatively! You can present your work however you like, for example, in the form of artwork, a scrapbook, a PowerPoint.

Suggested activities for Climate and Geography. (Please feel free to do your own if you would prefer.)

- Can you find Mexico on a map? What is its capital city? What Oceans does it have around it? Can you draw a map of Mexico and add the cities and oceans. Does Mexico have borders with any other countries?
 - What does the flag of Mexico look like? Can you draw it? Does it have a meaning?
 - Are there any mountains, volcanoes, rivers, lakes or deserts. Are there any famous landmarks? Can you research one and make a tourist information leaflet. Can you add pictures?
 - What is the Climate like in Mexico? Does it have seasons? Are some parts of the country hotter than others? How does this compare to England?
 - What is the Capital City of Mexico Like? How is it the same/different from London? What is its population? Can you write a postcard as if you are in Mexico's Capital telling a family member what it is like. You could talk about the temperature, how busy it is, what the buildings and shops are like.
- REMEMBER, you do not have to do all of these in a week, they are just ideas. Have fun.
