

Reception

Repeating Patterns

Can you continue the patterns below?

Can you create your own repeating shape patterns. You can finish my example or make your own. You could try it with potato printing.

Mariachi bands are very popular in Mexico. Listen to some of their music. If you have an old cereal box and some string or elastic bands you could make your own guitar and make you own Mariachi music.

the I to

.....

Can you write the perfect sentence using all 3 of these tricky words. Make sure you remember a capital letter, finger spaces and a full stops.

Phonics;

For the rest of the week I would like you to go through all of the phase 3 sounds you have learnt. If there are any you are still unsure of take this time to practise them.

Remember there are lots of games you can access on Phonics play for free at the moment to support phonics learning.

Username: **march20**

Password: **home**

<https://new.phonicsplay.co.uk/>

Remember to read everyday.

Can you practise forming letters?

Spelling –

This week for spelling I would like you to learn these words with a silent G or K. Ask someone to test you at the end of the week. Can you think of any other words that have a silent G or K at the beginning?

kn & gn as 'n' sound

knees
knight
knife
gnome
design
knock
unknown
knowledge

English –Poems.

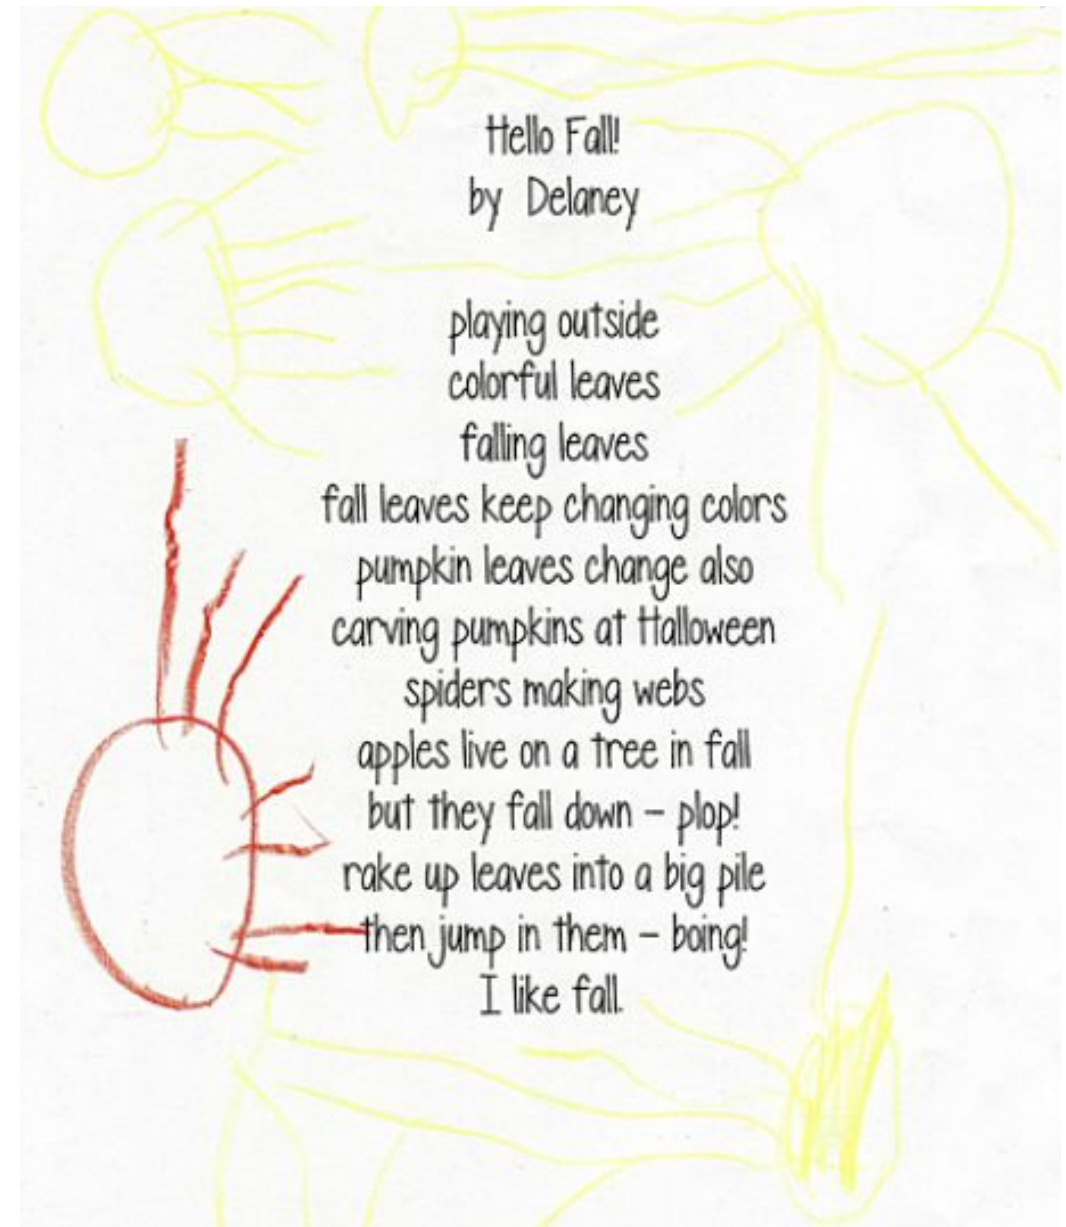

Today I would like you to have a go at writing your own
List poem using the plan you made yesterday.

Give it the title Hello Summer!

Here is the beginning of a poem I have written. You can use it to help
You start yours or write one of your own.

Hello Summer!
By Mrs Chisman

Warm sun
Splashing in the pool
Buzzing bees collecting pollen...

Mental arithmetic

<https://www.topmarks.co.uk/maths-games/subtraction-grids>

This week I would like you to focus on subtraction. This is a great game to play to help you with becoming more confident.

You could make your own board game like this to help you!

Maths –

Using your knowledge
Of shape
chose one
of these
challenges
to
complete.

Challenge
One

Name: _____Date: _____

LO: To recognise 2D shapes, recognising their properties and sorting them.
To explain the reasons for decisions when sorting.

1. Write the names of these shapes beneath the pictures.

2. Sort the shapes above into table below

3 sides	4 sides	More than 4 sides	Curved side

WORD BANK

Hexagon	Circle	Pentagon	Square
Oblong	Octagon	Triangle	

Challenge
Two

5. Sort the shapes into the correct groups

WORD BANK

Square	Circle	Semi-Circle	Oblong	Triangle
--------	--------	-------------	--------	----------

Straight Sides

Curved Side

6. Clare sorted the shapes in order of the number of vertices. Has she ordered them correctly? YES/NO Explain your answer

Challenge Three

7. Sort the shapes into the correct groups

WORD BANK

Square	Rhombus	Semi-Circle	Oblong	Triangle
--------	---------	-------------	--------	----------

1 Line of Symmetry

2 Lines of Symmetry

8. Sort these into 2 groups.

Label your groups to explain how you have sorted them.

When completing this Venn diagram you can overlap the circles if you have shapes that fit into both categories

Over the next 4 weeks, for your topic work, you are going to be completing a project about Mexico! Everyone in the school is doing the same project so that if you have siblings, then you can all do similar activities and teach each other things. Activities will be posted weekly with a particular focus. Choose the activities you would most like to do and present them creatively! You can present your work however you like, for example, in the form of artwork, a scrapbook, a PowerPoint.

Suggested activities for Tradition and Culture. (Please feel free to do your own if you would prefer.)

- Can you learn some Spanish this week. Each day you could challenge yourself to learn something new. You could have a go this is song to learn how to count to 10 <https://www.youtube.com/watch?v=8ydJr1Is8xl>. Can you learn how to say hello at different times of the day or learn the days of the week in Spanish.
- Can you create a meal plan or menu for a traditional Mexican meal? You could have a go at trying some Mexican foods.
- Have a go at designing your own traditional Mexican outfits or you can design a sombrero. You could make your own mini Sombrero like the one on the picture?
- Jarabe Tapatio (Mexican Hat Dance) is a traditional Mexican dance. Here is a tutorial for you to follow. <https://www.youtube.com/watch?v=JcTnrKRlnTO> You could have a go at making your own Mexican Dance. <https://www.youtube.com/watch?v=qvRRvMw9-fg> or have a look at some children performing the dance and copy them!
- REMEMBER, you do not have to do all of these in a week, they are just ideas. Have fun.
