

Can you make these shape magnifying glasses and go on a shape hunt. You may like to draw the things you find and write what shape they are.

Can you learn these greetings in Spanish?

These are examples of shape poems. Can you write your own? You can chose what you want to write your poem about.

Visit this website, there are some fun maths games for you to play.

Name: _____

Let's Learn the Blend 'bl'

Trace and write:

Decorate:

Highlight the 'bl' words:

blame	plate	blend	grin
blast	blue	slip	bless
trap	black	flat	blink
step	blow	blimp	clam

Write the 'bl' words from the list above in the matching boxes:

450 x 338

Remember to read everyday.

Can you practise forming letters?

Spelling –

This week for spelling I would like you to learn these words with a silent G or K. Ask someone to test you at the end of the week. Can you think of any other words that have a silent G or K at the beginning?

kn & gn as 'n' sound

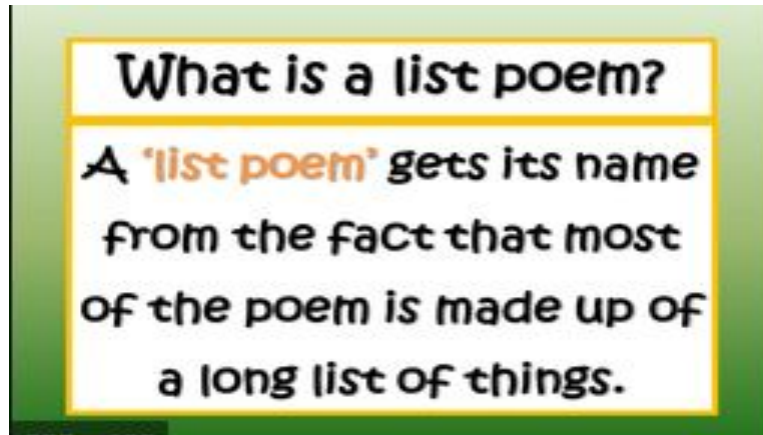

knees
knight
knife
gnome
design
knock
unknown
knowledge

English –Poems.

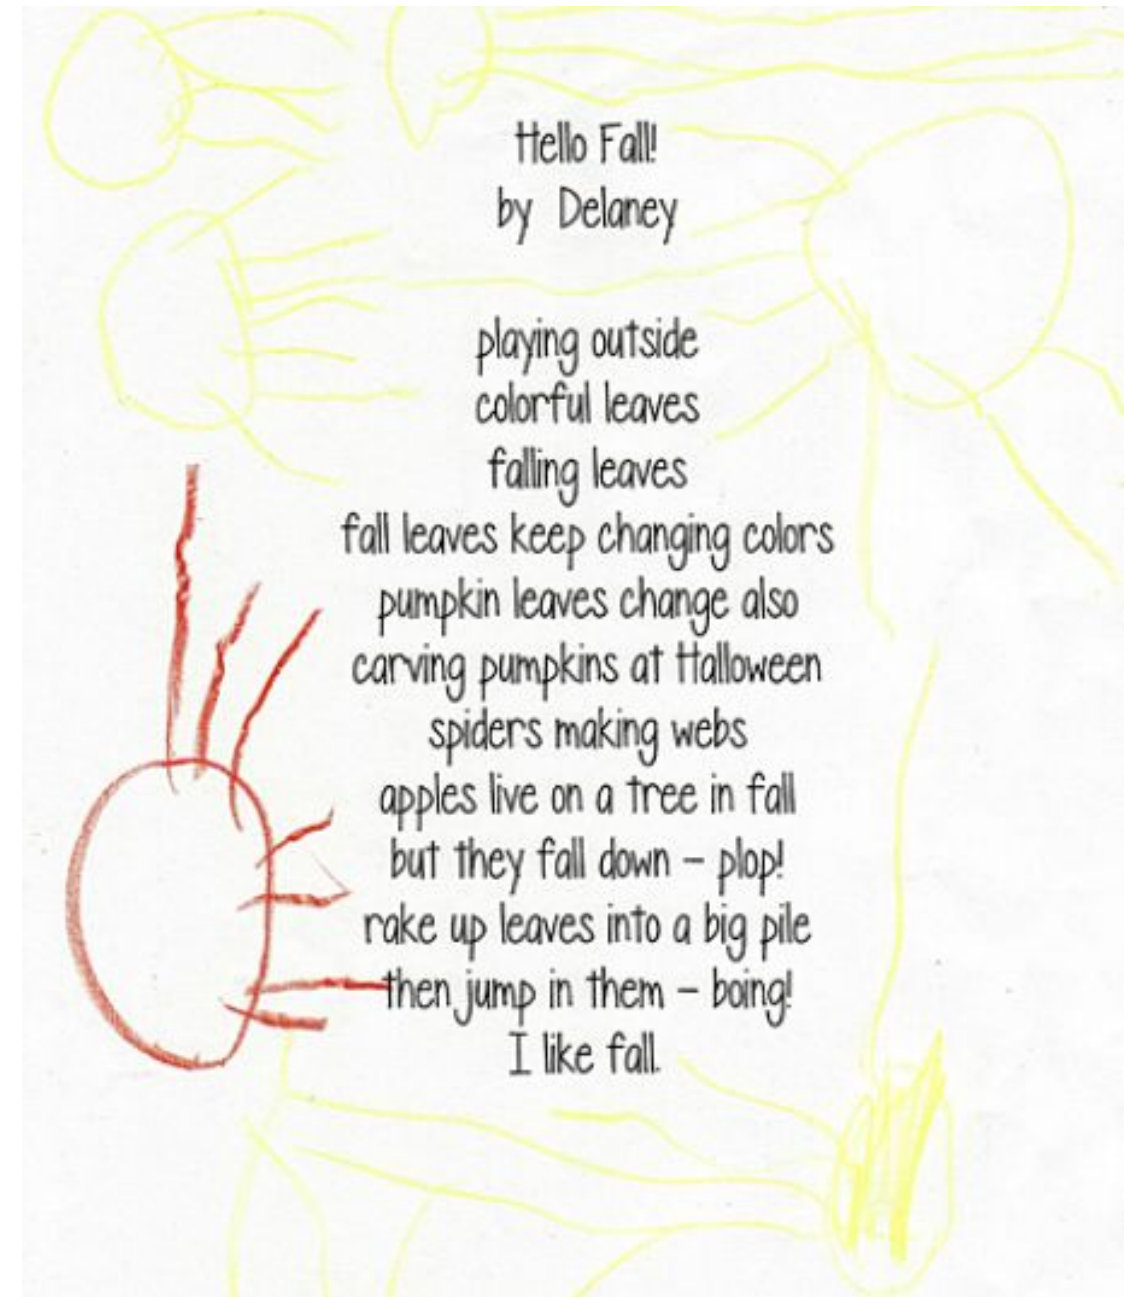

Do you know any poems?

Make a mind map of everything you know about poems.

Today I would like you to have a look at this List poem

It is an American poem and talks about Fall but we call it Autumn. Read the poem out loud. Now see if you can learn it. Try adding movements to each line to help you remember it. Make it into a performance to show your family.

Mental arithmetic

<https://www.topmarks.co.uk/maths-games/subtraction-grids>

This week I would like you to focus on subtraction. This is a great game to play to help you with becoming more confident.

You could make your own board game like this to help you!

Maths – This week we are focussing on Shape.

Today you will recap your shape knowledge by becoming shape detectives. What shapes can you find in your home or spot on a walk. Can you describe them to a family member using the correct mathematical language.

Are they 3D or 2D? What are they called? How many edges do they have?

How many vertices do they have?

How many faces do they have?

Over the next 4 weeks, for your topic work, you are going to be completing a project about Mexico! Everyone in the school is doing the same project so that if you have siblings, then you can all do similar activities and teach each other things. Activities will be posted weekly with a particular focus. Choose the activities you would most like to do and present them creatively! You can present your work however you like, for example, in the form of artwork, a scrapbook, a PowerPoint.

Suggested activities for Tradition and Culture. (Please feel free to do your own if you would prefer.)

- Can you learn some Spanish this week. Each day you could challenge yourself to learn something new. You could have a go this is song to learn how to count to 10 <https://www.youtube.com/watch?v=8ydJr1Is8xl>. Can you learn how to say hello at different times of the day or learn the days of the week in Spanish.
- Can you create a meal plan or menu for a traditional Mexican meal? You could have a go at trying some Mexican foods.
- Have a go at designing your own traditional Mexican outfits or you can design a sombrero. You could make your own mini Sombrero like the one on the picture?
- Jarabe Tapatio (Mexican Hat Dance) is a traditional Mexican dance. Here is a tutorial for you to follow. <https://www.youtube.com/watch?v=JcTnrKRlnTO> You could have a go at making your own Mexican Dance. <https://www.youtube.com/watch?v=qvRRvMw9-fg> or have a look at some children performing the dance and copy them!
- REMEMBER, you do not have to do all of these in a week, they are just ideas. Have fun.
