

Reception

What shapes did you manage to find yesterday.

Can you make them using sticks or straws? How can you make models of the 3D shapes? Can you name all of the shapes you have made?

Jarabe Taptio is a traditional dance from Mexico. Look at this video of some children performing it.

<https://www.youtube.com/watch?v=qvRRvMw9-fg>

Now watch this tutorial and see if you can perform your own Jarabe Tapatio dance.

Look at this nursery rhyme, say it out loud. Today I would like you to see if you can change the last words of each line to make it into a silly poem. Can you make it rhyme? For Example

Humpty Dumpty sat on a **chair**
Humpty Dumpty has messy **hair**
All the kings horses and all the kings **fish**
Couldn't put humpty **into the dish**

Visit this website, there are some fun maths games for you to play.

Can you practise forming letters?

Spelling –

This week for spelling I would like you to learn these words with a silent G or K. Ask someone to test you at the end of the week. Can you think of any other words that have a silent G or K at the beginning?

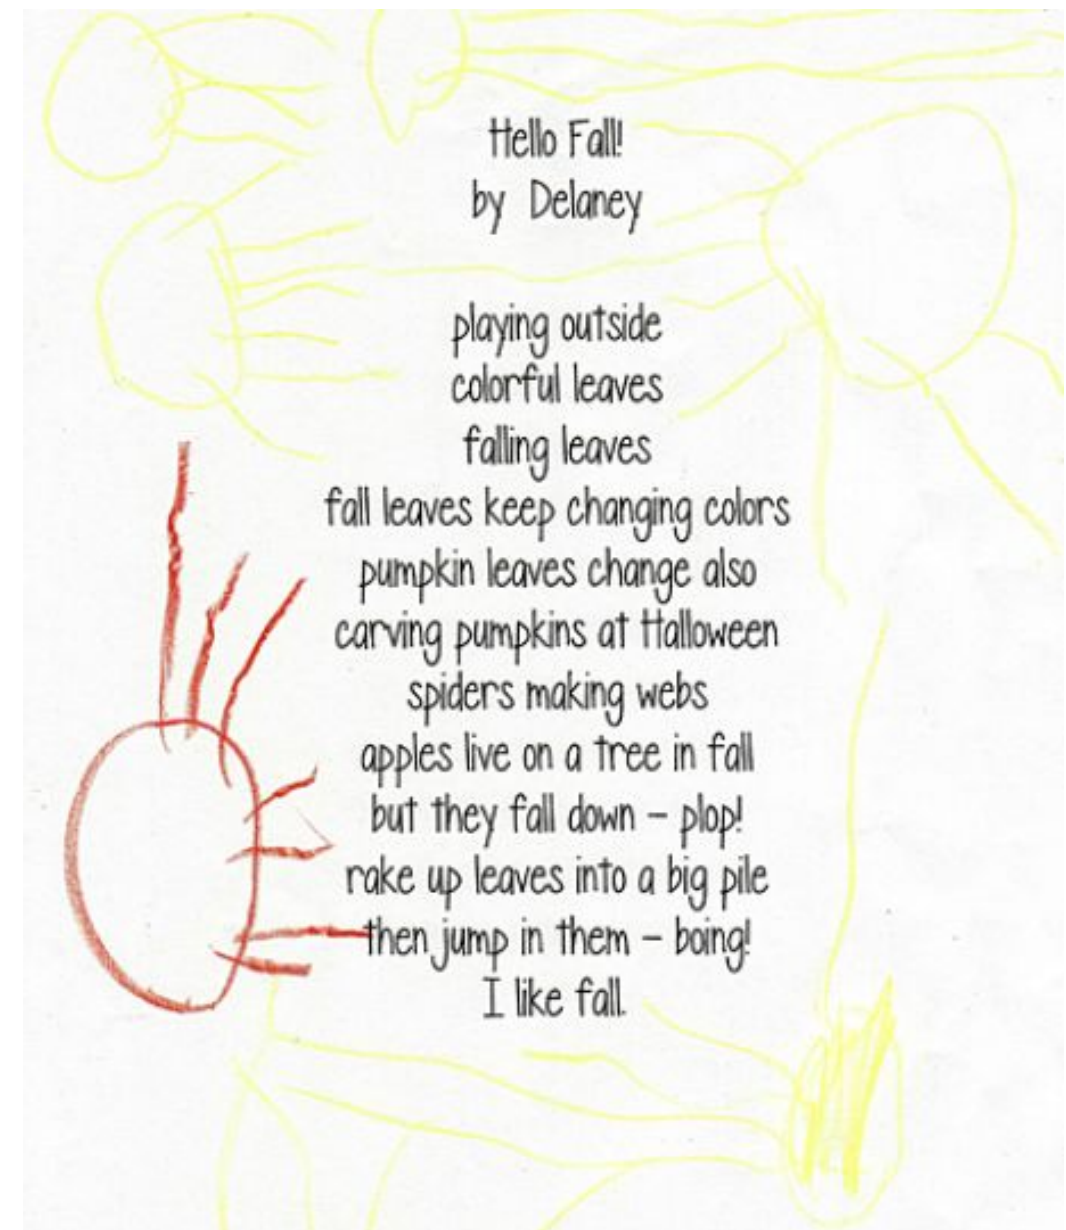

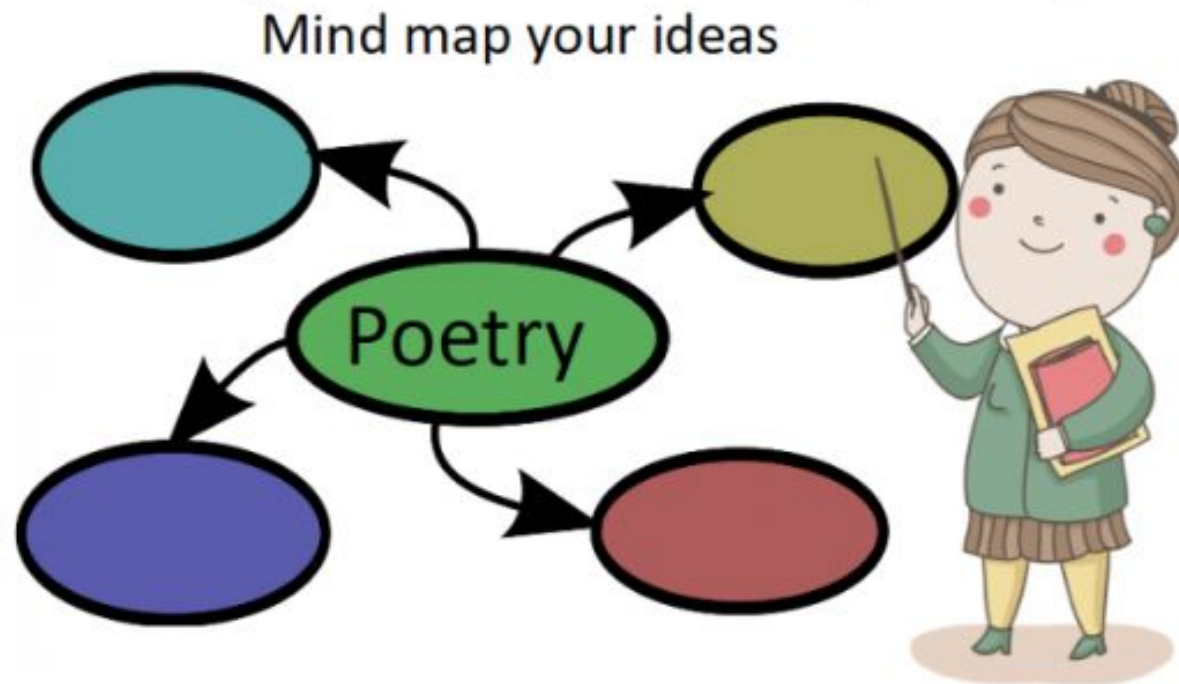

kn & gn as 'n' sound

knees
knight
knife
gnome

English –Poems.

Think about the list poem from yesterday. The author described
All of the things that reminded him of Autumn.

Tomorrow you will be writing your own list poem to describe all
Of the things that remind you of summer. Today I would like you
To create a mind map/plan for your poem.
You can write words, phrases or draw pictures.

Mental arithmetic

<https://www.topmarks.co.uk/maths-games/subtraction-grids>

This week I would like you to focus on subtraction. This is a great game to play to help you with becoming more confident.

You could make your own board game like this to help you!

Maths - Exploring shape.

Today I would like you to have a go at making models of 3D shapes. How many different shapes can you make. Can you label them with their name and describe their properties using the correct mathematical language?

Or you could try and have a go at drawing some 3D shapes and describing them.

Over the next 4 weeks, for your topic work, you are going to be completing a project about Mexico! Everyone in the school is doing the same project so that if you have siblings, then you can all do similar activities and teach each other things. Activities will be posted weekly with a particular focus. Choose the activities you would most like to do and present them creatively! You can present your work however you like, for example, in the form of artwork, a scrapbook, a PowerPoint.

Suggested activities for Tradition and Culture. (Please feel free to do your own if you would prefer.)

- Can you learn some Spanish this week. Each day you could challenge yourself to learn something new. You could have a go this is song to learn how to count to 10 <https://www.youtube.com/watch?v=8ydJr1Is8xl>. Can you learn how to say hello at different times of the day or learn the days of the week in Spanish.
- Can you create a meal plan or menu for a traditional Mexican meal? You could have a go at trying some Mexican foods.
- Have a go at designing your own traditional Mexican outfits or you can design a sombrero. You could make your own mini Sombrero like the one on the picture?
- Jarabe Tapatio (Mexican Hat Dance) is a traditional Mexican dance. Here is a tutorial for you to follow. <https://www.youtube.com/watch?v=JcTnrKRlnTO> You could have a go at making your own Mexican Dance. <https://www.youtube.com/watch?v=qvRRvMw9-fg> or have a look at some children performing the dance and copy them!
- REMEMBER, you do not have to do all of these in a week, they are just ideas. Have fun.
