Now can you write about your Gods eye. What do you like about it? What do you know about it?

Make your own bingo game to practice your number recognition. You can use a dice then cover the numeral that matches.

You can make it more challenging by adding numbers to 20 or 30 to the bingo card and ask a family member to shout out the numbers. Can you get full house?

Have a go at the Yoga alphabet, can you make up your own poses for the other letters?

Phonics;

Remember to read everyday.

Today I would like you to try and read all of the phase 3 sounds. How many did you get right, keep practising the ones you do not know.

Remember there are lots of games you can access on Phonics play for free at the moment to support phonics learning.

Because

Heads and Feet

Age 5 to 7 ★★

On a farm there were some hens and sheep.

Altogether there were 8 heads and 22 feet.

How many hens were there?

Over the next 4 weeks, for your topic work, you are going to be completing a project about Mexico! Everyone in the school is doing the same project so that if you have siblings, then you can all do similar activities and teach each other things. Activities will be posted weekly with a particular focus. Choose the activities you would most like to do and present them creatively! You can present your work however you like, for example, in the form of artwork, a scrapbook, a PowerPoint.

Suggested activities for Art and Craft (Please feel free to do your own if you would prefer.)

You could make your own water bottle **Maraca** and use it to play in your own Mariachi band. Using an empty water bottle wrap it top to bottom with masking tape. Fill your bottle with seeds and replace the lid. Decorate it then shake, shake, shake!

Frida Karlo is a famous Artist from Mexico, she wore colourful flower head bands. You could use tissue paper to make your own flowers and stick them to some card to make a flower head band. Make it as big and bold as you like!
