

Reception

Can you find out about Frida Karlo? Then using coloured paper and card you could make your very own Frida Karlo themed flower head band. Make it bright, colourful and bold!

For literacy I would like you to write some news about your weekend. If you feel confident write in sentences or you could draw some pictures and use your phonic knowledge to write words about your weekend.

Subtraction

Start with a tower of 10 bricks then play against a family member to try and win the race.

Each time you roll the dice you will take away that many cubes. The first person to take away all of their cubes first wins! You could challenge yourself by starting with more than 10 cubes!

Phonics;

Create a path with cushions, decide what it is you are trying to cross (for example a crocodile river or the floor is lava) place some sounds that you have learnt so far that you need to practice on each stepping stone. You have to know the sound at each stepping stone before you can move on! Can you get across the pathway safely? Each time you get one wrong you have to go back to the start! How Long will it take you? Have Fun!

Remember to read everyday.

Remember there are lots of games you can access on Phonics play for free at the moment to support phonics learning.

Can you sort these words into the correct column?

Now if you are confident can you add some of your own words to fit underneath each heading.

English.

S	E	R
P	A	E
T	D	E

How many words can you make using these letters? You do not have to use all of the letters every time.

What is the longest word you can make? Can you make a 9 letter word?

Now using a dictionary can you find out the definition of the words you have found?

Today I would like you to make yourself a figure me out poster. You can choose the headings you use or use the ones on here. See if you can use all 4 of the operations Add, Divide, Times and Subtract.

Then see if someone in your family can work out the answers.

Over the next 4 weeks, for your topic work, you are going to be completing a project about Mexico! Everyone in the school is doing the same project so that if you have siblings, then you can all do similar activities and teach each other things. Activities will be posted weekly with a particular focus. Choose the activities you would most like to do and present them creatively! You can present your work however you like, for example, in the form of artwork, a scrapbook, a PowerPoint.

Suggested activities for Art and Craft (Please feel free to do your own if you would prefer.)

You could make your own water bottle **Maraca** and use it to play in your own Mariachi band. Using an empty water bottle wrap it top to bottom with masking tape. Fill your bottle with seeds and replace the lid. Decorate it then shake, shake, shake!

Frida Karlo is a famous Artist from Mexico, she wore colourful flower head bands. You could use tissue paper to make your own flowers and stick them to some card to make a flower head band. Make it as big and bold as you like!

<https://tinkerlab.com/how-to-make-a-gods-eye-craft/> **Gods eyes** originally came from Huichol people of Central Northwest Mexico and were created as protective and spiritual symbols. Using wool and 2 sticks tied together you can weave your very own. You can have a look at the link to help you.

Can you create your own Mexican Folk Art. Take a piece of card and stick string to it to create a pattern. Then cover it with Tin foil. Press down the foil to reveal the pattern underneath. Then using felt tips colour each section to create some beautiful art.
