## **Roles and Accountabilities**

The Trust is accountable for all policies across its Academies. All policies, whether relating to an individual academy or the whole Trust, will be written and implemented in line with our ethos and values as articulated in our prospectus. We are committed to the provision of high quality education in the context of the Christian values of service, thankfulness and humility where individuals are valued, aspirations are high, hope is nurtured and talents released.

A Scheme of Delegation for each academy sets out the responsibilities of the Local Governing Body and Principal / Head Teacher. The Principal / Head Teacher of each academy is responsible for the implementation of all policies of the Academy Trust.

All employees of the Academy Trust are subject to the Trust's policies.

## **Statement of intent**

The Trust is dedicated to good practice and ensuring equality through school processes.

The governance of schools in England is deeply rooted in the principle of voluntary service, but academies have the opportunity to decide whether they wish to pay expenses to trustees and governors. The Trust believes that no trustee or governor should be out-of-pocket in respect to carrying out their duties on behalf of the academy and, therefore, that the payments of expenses for trustees and governors are important in ensuring equality for all members of the school community.

The Trust encourages all trustees and governors to submit claims for reasonable expenses incurred whilst carrying out their duties.
