Monday 4<sup>th</sup> January 2021

Dear Parents/Carers,

As always the current landscape is ever changing as the virus continues to spread across our community. We as schools find out information at the same time as the nation about closures and this time is no exception. Over the last few months we have spent time preparing a contingency plan in the event of a local lockdown/school closure.

With the announcement that Primaries will shut in Tier 4 we will be moving to our remote learning model. From Monday 4<sup>th</sup> January 2021, the school will be shut to all pupils apart from those considered vulnerable pupils and children of Critical Workers. The definitions of these can be found on the following link:

<https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>. An email will follow this letter asking whether or not you are a Critical Worker and require a school place for your child. Please respond ASAP so we are able to plan for Monday. We will be in contact with families of vulnerable children directly offering than a place in the school.

Children in the school building will be kept in their class bubbles and will receive the same learning as those at home. Teachers will provide learning for the children each day via Goggle Classroom. If you have lost you login details for Google Classroom please contact your child's class teacher and they will be able to provide them for you. If you are struggling to access google classroom please contact the school.

I know this is a very difficult time and many of you will be very anxious, if you have concerns and questions then please contact the school and we will do our very best to answer them.

Yours sincerely,

Mrs Godbold  
Executive Head.
