Mundford Mail

The newsletter from **Mundford C of E Primary Academy** - Your school, your news!

March 8th

We are very excited that all the children are returning on March 8th. We can't wait to all be back together again. As with every wide-scale reopening there is a very thick set of guidance notes that comes alongside it. We are working on plans to ensure that we are compliant with the guidance to keep staff and pupils safe. A detailed letter with all the information needed will come out at the beginning of next week. We thank you for your patience while we navigate our way through all the new information.

World Book Day

Next week on Thursday 4th March we will be celebrating World Book day. The children will be doing lots of activities based on a book. We are encouraging all children (both those at home and at school) to dress up like their favourite book characters. For those of you at home, you might like to send a picture of you in your fancy dress to your class teacher.

All children will receive a World Book Day voucher to get a free book. These will be handed out on Monday 8th when all children are back at school.

We are also running a design a bookmark competition. Children at school can hand their entries into their teachers and for those of you at home, they can be emailed to Mrs Saunders: psaunders22rc@nsix.org.uk. Closing date is Thursday 4th March and more information is on everyone's Google Classroom.

Science Week

The week beginning 8th March is national science week. We LOVE science at Mundford and will be taking part. We will be providing the children with lots of opportunities to gain and apply science knowledge through experiments and fun activities all week. To celebrate the end of the science week the children can come dressed as mad scientists on Friday 12th March.

New Tech

Over the course of last half-term we received a very generous donation from a member of the community and were able to buy new technology i.e webcams etc.. for the teachers to

Dates for your diary.
