Tuesday 23rd February 2021

Dear Parents/Carers,

You will in no doubt have heard the news from Boris Johnson yesterday evening that schools are due to re-open on Monday 8 March 2021, for all students. We are absolutely delighted with this news. We know you have worked tirelessly from home supporting your children with their home-learning and we are very grateful to you.

There will be a few changes from our previous full reopening, to account for additional safety measures we will put in place. We will share this with you the week beginning 1st March 2021 and as always the safety of our community, pupils, staff and families is paramount. So we appreciate your continued support by wearing face coverings at pick-up and drop-off times and ensuring that only one adult per family comes on to site.

In the meanwhile, please continue to fully engage in the online learning offer. Now more than ever, it is important that your children continue to attend so that we can continue learning from these points when they return. If your children have been invited to an additional learning session, please do attend or inform us if your child cannot, as our teams put time into planning and organising these specifically for identifying and closing gaps. This will also help us to ensure your children continue to progress.

The government has informed schools that attendance from March 8th will be mandatory. Therefore, if you foresee any difficulties or have any questions about our full return on this date please do get in touch with the school office and we will set-up an appointment to discuss how we can support your family with this further.

Many thanks,
Yours sincerely,

Mrs Godbold
