Wednesday 7th July 2021

Dear Parents and Carers,

As I am sure you will have seen in the news the Government are pressing on with their roadmap and we will soon be moving to step 4 and learning to 'live with COVID'. The last 16 months have been incredibly tough for all of us but our children's resilience continues to be an inspiration to all of us.

You will have no doubt noted that the purposed date for the end of restrictions has been given as the 19th July and we will still have three days left of school after that point. As I am sure you can imagine timetables and rotas are all in place for the end of the year so we will be keeping the current systems in place for those last three days, with one amendment. On Monday 12th July our transition week (and three days) starts, the children will all be moving up to their new classes and getting to know their new teachers before the summer holidays. We will be scrapping the staggered finishes at the end of the day and all children will finish at 3.15pm.

We will continue with our soft opening from 8.45am for all children. From Monday 12th July all children will be coming in and leaving from their new classroom doors:

Owls: Class door

Skylarks: Class door

Kestrels: Class door

I will be writing to you in the next week about the arrangements for September and what school will look like in line with the latest government guidance.

Yours sincerely,

Sarah Godbold.
