## Created by

It is important that your grant is used effectively and based on school need. The Education Inspection Framework (Ofsted 2019 p64) makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the Quality of Education criteria (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make additional and sustainable improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and Sport Premium to:

Develop or add to the PESSPA activities that your school already offer

Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to publish details of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by 31st July 2021 at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2020. To see an example of how to complete the table please click HERE.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Key achievements to date:	Areas for further improvement and baseline evidence of
	need:
Children took part in a multitude of cluster sports events before COVID stopped meetings: The	Developing sports with in bubbles- giving a breadth and

High volume of children wanting to do after school clubs- with a variety being offered.	Buy new playground equipment and scooters.
During Lockdown: a virtual programme of study was developed-linked to cluster sport, allowing	
children to compete in their homes and gardens. Virtual sports day was hosted and children	
took part in wider fitness- Joe Wicks, Cosmic kids yoga.	
Fitness Week (via Google Classroom) increased engagement with remote PE, with 66% of	
children reporting they their increased their physical activity as a result of it and 32% reporting	
they didn't need to increase as they already exceeded the recommended 60mins a day,	

Meeting national curriculum requirements for swimming and water safety.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?  N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.	75%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	75%

What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	75%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes

## **Action Plan and Budget Tracking**

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and

Academic Year: 2020/21	Total fund allocated: £16,490	Date Updated:		
<b>Key indicator 1:</b> The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school			Percentage of total allocation: 15%	
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Healthy mind, Health body, healthy me. How to sustain a healthy life style and the positive impacts sport and exercise has on mental health.  To provide children with a variety of different sports to try.	Combining a focus on this using PSHE, RSE and PE. Completing the daily mile for fresh air and exercise. School day has been changed dramatically and breaks are taken as and when needed. Tents and shelter purchased for outdoor learning even in bad weather.  Taking part in online cluster events, to allow competitive sport to continue but within keeping with COVID restrictions. Update equipment for children to use- better resources.	£2490- healthy eating resources and mental health resources.	Pupil surveys show they report an average of 65mins of physical activity a day. Children can talk about the benefits of activity on their physical and mental health.  Uptake of sports has been affected by Covid and there have been fewer opportunities for sports outside of school.	alongside the RSE & PSHE curriculums will continue to

<b>Key indicator 2:</b> The profile of PESSP	A being raised across the school as a t	ool for whole scl	nool improvement	Percentage of total allocation:
				51.1%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Providing different sporting opportunities for children to experience with in the school environment. COVID restricts outside competitions and some clubs.  All children from year 4 up to be able to swim at least 25m	Purchasing new equipment and using existing sports equipment to develop different sporting skills and techniques.  Continue to take younger years swimming for the spring and summer terms to encourage children to be water confident earlier. Continue to take older children not reaching the goals swimming also.	£6000- for new equipment where needed.	Provide a variety of learning experiences for the children within their bubble. They will be given tasters of more unusual sports. Equipment will be provided where needed. Children will be water confident and able to swim at least 25m.	Swimming opportunities were limited this year due to Covid pool closures, so next year we will offer swimming to any pupils in upper KS2 who are not yet proficient at 25m.

	, knowledge and skills of all staff in tea	ching PE and S	sport	Percentage of total allocation:
				15%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
staff with different sports- from building on skills to mini matches and full games. (online during covid)	Online training working with staff to provide different sports – encouraging all children to find a love of sport. Provide online training opportunities for staff.	£2,500	Staff will feel enabled to teach skills of games less familiar to them. They will offer a breadth and depth of different sports to the children in their bubble.  Get Set PE resources are available to all staff to support their knowledge & skills.	Staff survey has identified areas of expertise across the Federation so that teachers can support each other going forward.  Next steps: CPD for gymnastics.
Key indicator 4: Broader experience o	f a range of sports and activities offere	d to all pupils	(as above)	Percentage of total allocation
				As above
Intent	Implementation		Impact	As above
Intent  Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Implementation  Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Impact  Evidence of impact: what do pupils now know and what can they now do? What has changed?:	As above  Sustainability and suggested next steps:

to swim at least 25m	take older children not reaching the	£2500 for	
	goals swimming also.	swimming	
		costs.	

Key indicator 5: Increased participation in competitive sport			Percentage of total allocation:	
				18.1%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Whilst COVID continues- children will take part in competitions in bubbles and virtually against other classes, schools and county.	Taking part in online cluster events, to allow competitive sport to continue but within keeping with COVID restrictions. Update equipment for children to use- better resources.	up fees etc.	their own class bubbles during Sports Day.	As Covid restrictions reduce, there should be more opportunities for competition against other schools.
