## Bad Weather Arrangements.

Dear Parents/Carers,

After the flurry of snow yesterday, we thought we better send a reminder of the arrangements in the unlikely event that the schools should close. Wherever possible we aim to keep the schools open and only close in the most extreme circumstances. Where school closures take place, teachers will upload work daily for the children via Google Classroom to ensure that the disruption to their education is kept to a minimum.

When this decision is made we let you know as soon as possible to allow you to make other arrangements for the day. We will send a text message via our My Ed/Pupil Asset Apps to confirm closure. We will also upload the closure on to the Norfolk County Council Website which can be found here:

<https://www.norfolk.gov.uk/safety/service-disruptions>

In the event of heavy snow fall during the school day that causes us to be concerned about children's welfare in relation to returning home, we will call parents for immediate collection and update the Norfolk website found on the link above.

We hope that this will not be necessary but it is always good to be prepared!

Best Wishes,

Mrs Godbold.
