Firstly, we would like to say a big thank you to all the staff and volunteers that gave up their time to accompany the children to Kidzania on Thursday. Secondly, we have to say a massive thank you to the children themselves. They were fantastic ambassadors for the school: so kind, thoughtful, patient and polite. They got to experience some amazing careers – from an airline to a TV studio, via the police department, firefighting, fashion design and so much more. We will share photographs from the day on each class' google classroom.

Children's Mental Health Week 2022 - Growing Together

From 7-13 February 2022, schools, youth groups, organisations and individuals across the UK will take part in Children's Mental Health Week. This year's theme is **Growing Together**.

Growing Together is about growing emotionally and finding ways to help each other grow. Challenges and setbacks can help us to grow and adapt and trying new things can help us to move beyond our comfort zone into a new realm of possibility and potential. However, emotional growth is often a gradual process that happens over time, and sometimes we might feel a bit 'stuck'.

For Children's Mental Health Week 2022, we will be encouraging children (and adults) to consider how they have grown and how they can help others to grow.

In school, we teach children about the five ways to wellbeing in our Wellbeing Wednesday assemblies every week. Perhaps you could ask your child to explain these to you at home. Can they find ways to put it into practice?

Don't forget that you can find useful links and resources to help your own children on our school website: <http://www.churchsidefederation.norfolk.sch.uk/mental-health-and-emotional-well-being/>
