

<p><b><u>Welcome back to Maple Class!</u></b></p> <p>It's the summer term! Can you believe it! This half term we will be exploring "What Does it Mean to be British?" as we prepare to celebrate the Queen's Jubilee in June. Discuss the question at home with friends and family and let us know what you think. What is your favourite British food? Where is your favourite place to visit in Britain? We look forward to sharing your ideas and family traditions in class.</p>	<p><b><u>Maths</u></b></p> <p>This half term we will be learning about money and finding different ways to make the same total, as well as adding totals and giving change. We will also be investigating measures and using cm, mm, ml, l, g and kgs.</p>	<p><b><u>Geography</u></b></p> <p>We shall be looking at weather patterns and whether the weather in Britain is similar or different to weathers experienced in other countries.</p>
<p><b><u>Science</u></b></p> <p>In our Science lessons we will be exploring plants and how they grow from seeds and bulbs. What do plants need to help them grow successfully? Which plants do you grow at home?</p>	<p><b>What Does it Mean to be British?</b></p>  <p><b><u>English</u></b></p> <p>This half term we will be reading and enjoying a selection of poems and stories that entertain us. Do we like funny stories? Adventure stories? Animal stories? We will be collecting a range of ideas and genres and then writing our own stories to entertain.</p>	<p><b><u>History</u></b></p> <p>In History we will be looking at The Great Fire of London and how the events then have changed and shaped London over the years.</p> <p><b><u>Computing</u></b></p> <p>We will learn why a spreadsheet is useful and how to create and use our own simple versions.</p> <p><b><u>Art</u></b></p> <p>We will be working on our drawing skills and learning to draw portraits of the Queen.</p> <p><b><u>PE</u></b></p> <p>PE days will be a Monday and a Thursday, please send your child to school in their PE kit on those days.</p>
