## Our learning – Where can we go?

**Owls and Goslings:** This week we have been discovering information about our Queen and connecting London as our Capital City to where the Queen lives.

**Skylarks:** This week we have been continuing with their scone project and surveying children in other classes to find out their preferences. We ended the week with a no plan day all about Lego. We are looking forward to hearing all about the Kingswood trip and seeing all the photos when the children get back on Monday.

**Kestrels:** The Year 6s had their SATs this week and were so incredibly positive and supportive of each other. Well done Year 6, we are proud of you for trying your hardest. We also did some beautiful art for a competition about the Queen's jubilee, designing a posy of flowers for the Queen. We used our sketching and painting skills to create these.

## Jubilee Commemorative Tea Towel

To mark the Queen's Jubilee, children have drawn a portrait of themselves to be included on a special colourful commemorative tea towel. You may order as many as you wish to share with friends and family.

Order forms were sent home this week. Don't miss out on the opportunity to buy yours – the children did a brilliant job drawing themselves and we can't wait to see the final product!

# CURRENTLY READING

Reading is our biggest priority this academic year, it is the key to unlocking all curriculum subjects for children. As with last year we are using the Power of Reading as a way to encourage children to love books and broaden their reading horizon. We want every child to be a confident reader with a passion for books. We use our Power of reading book as the basis for our English teaching and incorporate it into other subject areas. We also have a class reader which is a shared class book that is read to the children every day.

## Current Books:

### Power or Reading books

**Owls:** The Puffin book of Fantastic First Poems

**Skylarks:** The Green Ship

**Kestrels:** The Hobbit
