Appendix 1 - Letter to Parents Regarding Managing Offensive Weapon Incidents

The Diocese of Norwich Education and Academies Trust is accountable for all policies across its Academies. All policies, whether relating to an individual academy or the whole Trust, will be written and implemented in line with our ethos and values as articulated in our prospectus. We are committed to the provision of high quality education in the context of the Christian values of service, thankfulness and humility where individuals are valued, aspirations are high, hope is nurtured and talents released.

A Scheme of Delegation for each academy sets out the responsibilities of the Local Governing Body and Principal / Head Teacher. The Principal / Head Teacher of each academy is responsible for the implementation of all policies of the Academy Trust.

All employees of the Academy Trust are subject to the Trust's policies.

Statement of intent

Churchside Federation recognises the increasing number of school-aged children who are found carrying offensive weapons and acknowledges our duty to ensure that pupils are safe and that they understand the repercussions of carrying weapons.

Through this policy, we aim to:

- Outline the weapons that are legally considered offensive, and the weapons that the academy has placed a strict ban on.
- Establish clear and accurate reporting procedures that can be easily followed by pupils and staff.
- Outline a procedure for investigating any reports, which will be followed accurately and consistently.
- Provide staff with unambiguous management guidelines to follow if a pupil is found to be carrying a weapon.
- Establish how the academy will support and reintegrate pupils following an incident, wherever possible.
- Outline the academy's methods for ensuring pupils are kept safe from harm.

- 6.5. The headteacher will not wait for the parents to arrive at academy before moving the pupil to a safe location.
- 6.6. Once the pupil's parents have been contacted, and they have confirmed that they are coming to the academy, the headteacher will wait no longer than 15 minutes before discussing the concern with the pupil.
- 6.7. When the headteacher discusses their concerns with the pupil, they will not be confrontational or judgemental.

7.2. If still no weapon has been found, the headteacher will thank the pupil and their parents for cooperating, answer any questions (where appropriate, e.g. maintaining confidentiality by not informing parents of who raised the report) and send the pupil back to class.

- What kind of weapon it is, e.g. an offensive weapon or a academy-banned item.

7.10. If someone is attacked with an offensive weapon, the emergency services (police and ambulance) will be called immediately and the academy will cooperate with the police's decision, e.g. regarding punishments.

7.11. Following any incident where a weapon has been produced, this policy will be reviewed by the DSL and headteacher.

8. Reintegration

8.1. While the academy never condones carrying a weapon, we understand that there are many reasons as to why a pupil may feel the need to carry a weapon, e.g. they are being bullied.

8.2. If a pupil who has been found to be in possession of a weapon remains at the academy, the DSL will be responsible for supporting and monitoring the pupil.

8.3. The DSL will establish the pupil's reasons for carrying a weapon and will put appropriate support systems in place.

8.4. The DSL will hold weekly meetings with the pupil to monitor their safety and wellbeing until the DSL is satisfied with the pupil's wellbeing.

8.5. Carrying a weapon can be an indicator of a safeguarding concern, e.g. county lines exploitation or neglect, and the DSL will investigate any concerns and make a referral to the appropriate body, e.g. the police, if appropriate.

8.6. Other pupils will not be informed that the pupil was suspected of carrying a weapon.

8.7. The pupil's parents will, if appropriate, be involved in the reintegration plan, e.g. attending the weekly meetings with the DSL.

8.8. The academy will offer counselling services to the pupil, if appropriate.

8.9. The DSL will ensure that the academy complies with any provisions outlined in a pupil's knife crime prevention order, e.g. prohibiting the pupil from using the internet.

8.10. Knife crime prevention orders can require a person to:

- Be at a particular place between particular times on particular days.
- Be at a particular place between particular times on any day.
- Present themselves to a particular person at a place where they are required to be between particular times on particular days.

RE: The academy's management of offensive weapons

Dear name of parent,

As I am sure you are aware, there have been a lot of recent news stories regarding young people carrying offensive weapons such as knives. I would like to reassure you that your child is safe at academy by explaining how the academy aims to manage any incidents of offensive weapons and keep your children safe.

The academy operates an anonymous reporting procedure that can be found on the academy's website, [\[insert URL \]](#). All pupils, staff, parents and the wider community are invited to use this reporting procedure if they have any concerns over safeguarding issues, including fears that a pupil may be carrying a weapon.

Upon receiving this report, the academy conducts a thorough investigation procedure, which is outlined below:

- The pupil concerned is located and taken to a safe location – usually the headteacher's office.
- The pupil's parents are contacted and invited into the academy.
- The headteacher conducts an interview with the pupil (and their parents, if they're present) to establish whether the pupil would like to admit to having a weapon on their person.
- The headteacher asks to search the pupil's bag and outer clothing.
- If a weapon is not found from this search, the headteacher will ask the parents/and or the police if in attendance a hand-he to establish whether the pupil has a weapon on their person.
- If no weapon is found, the headteacher keeps a record of the search and monitors the situation.
- If a weapon is located, the headteacher will establish what the appropriate next steps will involve.

Where a pupil is found to have a weapon on their person, the headteacher will use their professional judgement to determine:

- What kind of weapon it is, e.g. an offensive weapon or a academy-banned item.
- The likely intention to cause harm.
- The context of the situation, including the pupil's educational history, bullying and behavioural records, and any explanations that the pupil can provide.

The headteacher will also consider whether to call the police. For example:

- If the pupil brings in an offensive weapon, e.g. a samurai sword, the police will be called immediately.
- If a pupil brings in a Swiss army knife, the academy will establish the context of the situation before making a decision.

The academy understands the negative effect that expulsion can have on pupils and will do everything within its power to support, protect and help pupils; however, we will follow the procedures within the Exclusion Policy where necessary.

If you have any questions regarding this letter, please ask the academy office for a copy of our Offensive Weapons Policy which explains our procedures in full.

If you have any further questions, please feel free to contact me on contact details – I will endeavour to respond as quickly as I am able.

Thank you for taking the time to read this letter.

Yours sincerely,

Headteacher
