Our learning – Where can we go?

Owls and Goslings: This we have been continuing with the gunpowder plot. We made artefacts for our museum. We wrote a warning poster, made gunpowder, made a top hat and a big barrel. We also made a story map of the gunpowder plot.

Skylarks: This week in science we have been thinking about what light is. We made a light box using a bottle of water in the top of the box to reflect light into the box. We also had a box, put things inside then put holes in it and tested how much light it let in. In geography we found out where the oldest theatre is and discovered it was in Italy. We learnt some facts about Italy!

Kestrels: This week we looked at a famous poem called Tyger, Tyger by William Blake who is also an artist. We then painted pictures inspired by the poem.

CURRENTLY READING

Reading is our biggest priority this academic year, it is the key to unlocking all curriculum subjects for children. As with last year we are using the Power of Reading as a way to encourage children to love books and broaden their reading horizon. We want every child to be a confident reader with a passion for books. We use our Power of reading book as the basis for our English teaching and incorporate it into other subject areas. We also have a class reader which is a shared class book that is read to the children every day.

Current Books:

Power or Reading books

Owls: The Puffin book of Fantastic First Poems

Skylarks: The Green Ship

Kestrels: The Hobbit
