Whole School Circus Workshop

On Friday, Stevie Spud came in to teach the children some circus skills. The children learnt how to juggle with scarves and beanbags and use diabolos and flower sticks. They balanced peacock feathers on their hands and learnt how to spin plates. Who knew we had such talented jugglers at school? All of the children were really enthusiastic about the workshop and listened really well to the instructions. Even the teachers got involved!

It was so much fun!

CURRENTLY READING

Reading is our biggest priority this academic year, it is the key to unlocking all curriculum subjects for children. As with last year we are using the Power of Reading as a way to encourage children to love books and broaden their reading horizon. We want every child to be a confident reader with a passion for books. We use our Power of reading book as the basis for our English teaching and incorporate it into other subject areas. We also have a class reader which is a shared class book that is read to the children every day.

Current Books:

Power or Reading books

Owls: The Puffin book of Fantastic First Poems

Skylarks: The Green Ship

Kestrels: The Hobbit

Class Reader:
