

Acorn Nursery
Mundford Junction
September 2022

'I had the pleasure of visiting Acorn class this morning with my grandson. What a lovely class it is! Mrs Tinkley shared her enthusiasm and teaching skills with this group of children who were thoroughly engaged with the task in hand. Afterwards she showed the parents and grandparents photos of the activities making the point that good conversations and relationships were to be valued. A fabulous session!

Many thanks'

'We are looking forward to the next one!'
