

Acorns Nursery Spring 1

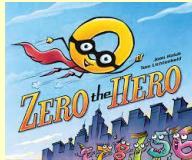

Welcome to Acorn Newsletter!
Our School Theme is Change

We will be looking at how things change when we push, pull, freeze and melt them!

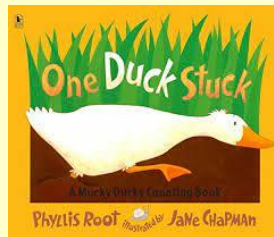

Maths

We will be learning to count objects, recognise numbers and shapes and explore the value of zero!

Literacy

We will be reading a focus book each week, linked with our theme and phonics.

Phonics

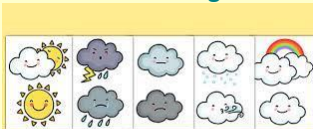

We sing the alphabet every day at the start of our phonic focus sessions.

This term we are looking the letter sounds o, c, k ck and will be finding objects and words that start with each sound.

Join us for our phonics Mundford Junction on Tuesday 17th January at 9am

Expressive Arts and Design

This term we will be learning to sing lot of new songs about the weather and changing seasons as well as creating some more amazing artwork!

Spring Term 1 Change

Does everything change?

Understanding the World

As part of our Change theme we will be learning about how things are different when we melt, freeze, push and pull them.

Physical Development

We have lots of space to run around, explore and play at school. We will be using the trim trail, bikes and trikes and large field to run, jump, climb and zoom around. We will also be exploring dance, yoga and developing our throwing and catching skills with bean bags and balls.

Personal, Social and Emotional Development

Each term we learn about our feelings during PATHS and PSHE sessions. We play turn taking games and talk about our different feelings and how to show our feelings in the right way to others.

Look out for our amazing acorn awards that are sent home every day

Communication and Language

Our day always begins with a reminder of how to be a good listener and why it is important to listen to someone when they speak. We work on turn taking when talking and sharing our ideas, and showing others we are listening by looking at them when they are speaking.
