Weekly Focus: Transition to a new class

Transition to a new class can make children feel excited, anxious, scared, overwhelmed and very tired at this time of year. Our teachers have suggested some things for you to consider to, help your child have a happy transition in to their new class.

- Make sure everything is named and labelled, especially jumpers
- Give your child time to talk about their new class when they are ready, not too many questions all at once
- Look on the website for any information on the new class and see what sort of things have been going on
- Have a snack ready at the end of the day
- Email the new class teacher if you have any questions
- Reassure and talk to your child that other children will be feeling the same. Encourage them to talk to their friends too

It has been sunny enough for sun cream here at Gooderstone! Please make sure your child/ren apply sun cream before attending school on a sunny day & please send them in with a sun cream they can apply themselves. For the younger children, there are roll on sun creams, sprays etc.

What are we Reading?

Reading is the key to unlocking all curriculum subjects for children. As with last year, we are using the Power of Reading to encourage the children to love books and to broaden their reading horizon.

We want every child to be a confident reader with a passion for books. Alongside our Power of Reading books, we also have a class reader which is a shared class book which is read to the children every day.

Current books:

Power of Reading:

Owls: Dear Zoo

Skylarks: Beowulf

Kestrels: Malamander

Class Reader:

Owls: Dave the Pigeon

Skylarks: Kid Normal

Kestrels: Darwin's Dragons
