

Dear Parents/Carers,

There are currently spaces available for your child to have 1:1 music lessons at School!

I am an experienced teacher (PGCE) and musician, having earned a first-class honours degree in music at the University of York. I offer lessons in piano, trumpet, flugelhorn, cornet, tenor horn, recorder, and classical singing. Lessons are £15/30minutes and should be paid in advance each half-term. They will take place on a weekly basis.

Learning a musical instrument promotes well-being, helps support all areas of learning and is a skill which uses both sides of the brain simultaneously. I am passionate about music and the joy it gives both to performers and audience members. I feel that everyone should be given the opportunity to learn a musical instrument and gain a life-long skill and I have a calling to develop and nurture this passion in others.

Kind regards,

Mrs S. Whistler

Please email me directly at whistlermusic@yahoo.com so we can make arrangements for your child to begin their lessons this September. Lessons will be arranged on a first come, first serve basis. Grants may be available. Instruments are available to hire or purchase. Please contact me for more details.
