The safety of pupils, staff members and visitors on the premises is paramount and Mundford Church of England Primary Academy School takes their duty to protect the wellbeing and welfare of these people very seriously.

The main priority is to prevent an emergency from occurring in the setting; however, this is sometimes, unfortunately, out of the hands of the school. In an emergency, staff members at Mundford Church of England Primary Academy School will endeavour to take all reasonable actions in order to ensure the safety of pupils.

The procedures outlined in this policy aim to minimise disruption to the learning environment whilst ensuring the safety of all pupils, staff members and visitors.

2. Definitions

2.1. An 'evacuation' is the orderly removal of pupils, staff members and visitors from the school building; this can be as a result of a fire or other incident within the building.

2.2. The term 'invacuation' refers to the process of making staff members aware of an emergency and moving pupils, staff members and visitors to the most sheltered areas within the building. This procedure is employed if moving outside would increase the risk of harm to people, e.g. toxic fumes in the air.

2.3. 'Lockdown' refers to the procedure of locking external doors and windows before taking immediate shelter in a secure location. This procedure is typically invoked as a response to a security threat.

3. Roles and responsibilities

3.1. Staff members will act in accordance with the school's Invacuation, Lockdown and Evacuation Policy at all times.

3.2. It is the headteacher's responsibility to ensure effective and rehearsed emergency procedures are in place at Mundford Church of England Primary Academy.

3.3. The headteacher is responsible for ensuring that all staff members are aware of the policy and have a copy to access.

3.4. It is the responsibility of the headteacher to ensure that new staff members are trained in implementing all of the emergency procedures.

3.5. The School Secretary is responsible for recording all evacuation procedures, including drills and practices, in the Evacuation Record Log.

3.6. Heads of school/Senior Leaders are responsible for ensuring procedures are understood by all staff members within their department.

3.7. The headteacher is responsible for raising the alarm of an emergency, and will delegate this duty to a designated member of staff to carry out when they are not present at the school.

3.8. The responsibility of informing the relevant external services, such as the police, in the event of an emergency is delegated to Janice Pryer or Michelle Mason.

3.9. All staff members are responsible for ensuring pupils, fellow staff members and visitors remain as safe as possible whilst on the school premises.

3.10. It is the responsibility of all staff members to ensure that registers are accurately taken and the names of missing pupils are immediately reported to the school secretary and Headteacher.

3.11. Staff members will inform the headteacher or school office of any pupils missing from the classroom when the alarm was raised.

3.12. All staff members are responsible for maintaining an orderly manner and encouraging pupils to stay calm during emergency procedures.

3.13. The site manager is responsible for ensuring that emergency exits are clearly signposted.

3.14. It is the responsibility of the School Secretary to provide the emergency services with copies of the site plan.

3.15. School office staff are responsible for ensuring that all contractors or external services working within the school are supplied with a copy of the evacuation procedure when their work initially commences.

3.16. The school office staff will continuously monitor the situation and keep both the emergency services and fellow colleagues up-to-date.

4. Invacuation procedure

4.1. The aim of the invacuation procedure is to protect lives by keeping people inside away from perceived danger. This procedure will be used in the event of armed intrusion, chemical spillages and air pollution.

4.2. The warning siren for Mundford Church of England Primary Academy School's invacuation procedure is 4 rings of fire alarm bell.

4.3. The headteacher or site manager will sound the alarm as soon as a concern has been raised.

4.4. Staff members will keep in contact using mobile phones in order to inform each other of any problems experienced while carrying out the procedure, e.g. missing pupils.

4.5. Throughout the procedure, the headteacher, or another designated member of staff, will continuously keep other staff members updated, where possible, using mobile phones.

4.6. During an invacuation, pupils, staff members and visitors outside the school building will move quickly and quietly through the nearest entrance to the building.

4.7. If staff are in buildings adjacent to where pupils or other staff members are outside, they will signal to the class to come inside immediately.

4.8. When all personnel are inside, doors and windows are to be securely locked. Blind will be pulled to stop visibility into the schools building.

4.9. Main entrances into the school site will be locked if necessary.

4.10. Prior to the procedure, the headteacher will identify designated 'safe rooms' throughout the school building, which all staff members will be made aware of.

4.11. Mundford Church of England Primary Academy School's designated 'safe rooms' are as follows:

Acorn & Oak: Classrooms or Orchard corridor.

Hazel to Sycamore: Classrooms or the central corridor of the school

Depending on level of threat depends if children will go to their classrooms or stay in the central corridor away from outside windows and doors.

4.12. Each class is guided towards their designated 'safe room' by their classroom teacher, ensuring that all pupils, staff members and visitors are accounted for.

4.13. When the invacuation procedure occurs during lunchtime, or a lesson change over, all staff members will guide pupils towards the nearest designated 'safe room'.

4.14. Staff members will instruct pupils to stay away from the windows and doors.

4.15. Where necessary, pupils will be informed to lie or sit on the floor.

4.16. Pupils and staff members are to remain in their designated rooms/positions until told to do so by the emergency services, or the headteacher has given an announcement to declare the risk has gone.

4.17. When the invacuation procedure has finished, pupils will return to their timetabled classroom where a register will be taken.

4.18. Throughout the invacuation procedure, the school office will keep in contact with the emergency services, ensuring the procedure is being implemented correctly.

4.19. Following an occurrence necessitating the invacuation procedure, the following actions will be taken: • A follow up talk with staff members and pupils will be delivered by the headteacher • Support will be sought where necessary, such as counsellors • Parents/carers and other stakeholders will be informed via letter • The response to the crisis will be evaluated and procedures amended where necessary

5. Lockdown procedure

5.1. This procedure will be implemented as a sensible and proportionate response to any external or internal incident which has the potential to pose a threat to the safety and wellbeing of pupils, staff members and visitors.

5.2. The headteacher will ensure that all staff members understand when and how this procedure will be implemented.

5.3. Depending on the circumstances, either a partial lockdown or full lockdown procedure will be implemented.

5.4. The headteacher will take all factors into consideration when deciding whether to partially or fully lockdown the school. Where possible, advice will be sought from the emergency services.

5.5. The partial lockdown procedure is a precautionary measure but puts the school in a state of readiness should the situation escalate. It will be used in the event of, but not limited to, the following: • A local risk of air pollution • A civil disturbance in the local community with the potential to pose a risk to the school

5.6. The full lockdown procedure will be used in the event of, but not limited to, the following: • An intruder on the school site • A major fire in the vicinity of the school • The close proximity of a dangerous dog, or other animal, roaming loose

5.7. The signal given for staff members to implement the lockdown procedure is 2 rings of the fire bell.

5.8. Mobile phones will be used to make staff members aware of the incident that has occurred and inform them of the type of lockdown procedure which is to be implemented.

5.9. Lines of communication between staff members will be kept open through the use of mobile phones; however, unnecessary calls to the school office will not be made as this could delay important communication.

5.10. As soon as the alarm has been raised, the school office staff will ensure that the relevant emergency services are informed and kept up-to-date with the situation.

5.11. In the event of Mundford Church of England Primary Academy School implementing the lockdown procedure, pupils will be instructed to remain in their classroom, or will be guided to the nearest room.

- 5.19. All pupils, staff members and visitors will be made aware of their nearest exit point in case a hostile intruder manages to gain access.
- 5.20. Pupils may be asked to hide or disperse if this will improve their safety.

- 5.22. In the event of a partial lockdown, movement may be permitted within the building, dependent upon the circumstances, but this will be supervised by a staff member.
- 5.23. In the event of an air pollution issue, air vents will be closed, where possible, as an additional precaution.

- 5.25. All personnel will remain inside until an 'all clear' signal has been given, either via mobile phones or by the SLT, or unless told to evacuate by the emergency services.
- 5.26. If someone is taken hostage on the premises, the school will seek to evacuate the rest of the site.
- 5.27. Parents/carers will be notified as soon as it is practicable to do so via the text message service: MyEd.
- 5.28. Pupils will not be released to parents/carers during a lockdown.

7.2. The purpose of a PEEP is to enable Mundford Church of England Primary Academy Primary to implement effective arrangements to ensure that everyone can evacuate the building in an emergency, should one arise.
