Spelling Shed

As we shared last week, we have started a new way of teaching spellings: Smashing Spelling! This means we are no longer needing our subscription to Spelling Shed. Your child's spelling shed login will no longer work at home. If you were still a regular user of this, then please talk to your child's class teacher who can suggest alternative ways of supporting their spelling at home. Thanks

Attitude of Gratitude

You may remember that in my letter last week I talked about the importance of having an attitude of gratitude and I shared research how fostering this positive mind-set can benefit both our mental and physical health. There are many different apps and websites available to help us learn to reframe our thinking. A really good one is <https://actionforhappiness.org/> this is a charity based website and also available is an app for phones. There is a wealth of information on the site from scientific research to calendars:

https://actionforhappiness.org/sites/default/files/calendar_download/images/Jan%202024.jpg with daily practises to help us make the world a happier and more positive place.

Let's Celebrate

If your child has achieved something in sport outside of school, we would like to know about it! Email Miss Spearpoint on elm@mundford.dneat.org with a photo and caption so we can celebrate their successes in school!

The Norfolk Hospice.

Thank you for all the sponsorship money handed in for The Norfolk Hospice. They came to assembly this week and were astonished at how much we had raised. Victoria from the Hospice explained to the children what they money would be used for and how they could help. She suggested if they had any old toys they no longer needed after Christmas, or unwanted Christmas gifts, they could be donated to sell in their shops. As a school we would like to become a collection point, so if you are having a January declutter and have anything we can donate to The Hospice Charity Shop, please take to Mrs Keeler at The Orchard by Friday 2nd February. Thank you in advance for your support.

Forest Schools Equipment

Mrs Cross, one of the teachers from Gooderstone is currently training to become a Level 3 Forest School Leader and is going to start delivering sessions to some of the classes here at Mundford. Forest School is a child-centred inspirational learning process, that offers opportunities for holistic growth. It is a long-term supports play, exploration and supported risk taking. It develops confidence and self-esteem through learner inspired, hands-on experiences in a natural setting. Children are given the freedom to explore and play at their own pace and follow their own interests.

In the spirit of reduce, reuse and recycle, we are appealing to our school community for some items that would help. Please see the list below and get in touch with the office if you are able to help in any way. Some of the items needed include: ropes, tarpaulin, string or twine, tyres, planks, logs, branches, wooden cable reels, gardening gloves or metal pots, pans, spoons, buckets etc.

Would you like to come and join in with Forest Schools? We would welcome any volunteers who would like to help as the more adults we have, the greater variety of activities the children can do. Currently Forest School session are on Thursday mornings. If you are interested in volunteering (for a one-off session or regularly), please contact the school office.

Forest Schools Donation Wish List

- Ropes – to make swings, bridges, tarpaulins. This can be static or dynamic.
- Tarpaulins – the more the merrier to keep us dry both over head and under foot.
- String, twine, paracord – for tying and crafting.
- Tyres – large or small but in good condition to be used for rolling, building, climbing.
- Planks – for building, making bridges and seesaws
- Wood chippings – to make designated pathways.
- Wood Fire Logs – we hope to build up a supply for when we are lighting fires and cooking.
- Tree Branches – about adult height that can be used for den building and to designate areas that we want to preserve from trampling.
- Tree Stumps/Trunks – we have already sourced some long lengths for our fire circle but would also like some shorter ones that can be used for crafting/building/climbing.
- Wooden cable reels – ideally the large ones which can be used as a craft area or mud kitchen.
- Peelers and children’s gardening gloves – if you have any spare for whittling sticks.
- Metal pots, pans, spoons, buckets, trowels etc (not plastic please).

Notices & Reminders

- We have accumulated a substantial number of lost jumpers, cardigans etc., please can we remind you to name your children's clothing so that they can be returned. Lost property is currently inside KS1 pupil entrance whilst the weather is damp.

- **Zig Zag Yellow Lines**

Are there for the safety reasons, please do not park on them whilst dropping off and collecting children at any time of the day.

Snacks

- We have noticed a variety of items being eaten at breaktime for snack. As part of our drive to be a healthy school we have a policy that only fruit or veg should be consumed at breaktimes. Fruit and veg options are provided daily by the school for pupils in EYFS and KS1. We are happy for you to provide a snack for your child but it should be fruit or veg and we will be reminding the children of this over next week.

<http://www.churchsidefederation.norfolk.sch.uk/wp-content/uploads/2020/02/Food-Policy-1.pdf>

Please do not park on the playground. We have noticed recently that the playground is being used as a car-park when collecting children from after-school clubs/care. This is creating a potential hazard for both pupils and parents arriving/leaving the playground on foot.

- **Food Policy**

So that we can ensure that any child who is allergic to nuts does not come into contact with them please do not include items containing nuts in packed lunches. The Food policy can be found on the school website <http://www.churchsidefederation.norfolk.sch.uk/wp-content/uploads/2020/02/Food-Policy-1.pdf>

- **Water Bottles**

Can we kindly request that children do not bring water bottles with loose lids and straws? These aren't suitable for the classroom, as they can easily leak or will spill if knocked over. Sports-style bottles with leakproof lids are preferred. If your child does bring in an unsuitable bottle, they may be asked to keep it outside or by the classroom sink to prevent spillages on work.

- We politely ask that all parents/carers keep their children with them whilst on the playground, at drop off and pick up.

- We ask that you refrain from cutting through the cricket club fence/hedge. Please stick to the pathways for your own safety and the safety of others. The cricket club kindly allow us to use their parking facility, so please be respectful.

Resources for Supporting your Child at Home

The school website and half-termly class newsletters outline what each class is currently learning, along with ideas for things you can do at home. From Year 2 upwards, homework will be shared on Google Classroom. Please ask the class teacher if you are unable to access this and would prefer paper copies.

Bug Club <https://ww.activelearnprimaty.co.uk>

Bug Club is our online library of reading books, where you will find books assigned to your child's reading ability. It also has questions build-in to develop children's comprehension skills.

Numbots <https://play.numbots.com/#/account/school-login/35246>

& TT Rockstars <https://play.ttrockstars.com/auth>

Practice number facts and times table in a fun game-based situation.

Purple Mash <https://www.purplemash.com/sch/mundford>

We use Purple Mash for teaching computing, but it also contains games sections for practising English & Maths at home.

If your child needs their log-in details for any of the above, please contact the class teacher.

Letterjoin www.letterjoin.co.uk

Desktop Login username: **Mund** password: **ford**

Tablet Login username: **Mund** passcode: a capital 'L' shape starting at top left

This site allows children to practise their handwriting and spelling.
