Changes to Nursery Fees.

Dear Parent/Carer,

As many of you know we have been running more of a flexi system to funding and hours over the last two years for our Nursery children. Allowing them to come in and be dropped off at the same time as siblings to make life easier. For those staying all day this extra time equates to 35 minutes that we do not charge for, we did this to take some of the pressure off our families. Unfortunately, with the rising cost of living and the immense pressure on all schools financially we have taken the difficult decision to charge for this. We still intend to keep these cost as low as possible and will follow the model of our Federated School to ensure we are giving equality of opportunity to all. At Mundford we already do this and parents pay £2 for the lunch period as a subsidy for the extra hours, we will be applying the same system for the children who attend Goslings for the whole day.

These charges will come into effect at the beginning of next term the office will be in touch with how to pay these fees in the near future.

Best wishes,

Mrs Godbold
