

School Council Update- April 2025

Our chosen Charity is:

- Dogs Trust <https://www.dogstrust.org.uk/>

New things.

With the money raised through the various competitions and bake sale the school council have purchased a stage for the field which has seen many amazing performances that would put Broadway to shame. They have also purchased a mud kitchen so our budding Jamie Oliver's can cook up a storm. With the remainder of our money we purchased the building materials for the roadway that Mr Jermy built for us over the Easter holidays. A huge thank you to Mr Jermy for giving up his free time to make us this wonderful track, the children are going to love it! Another huge thank you to all of you for your on-going support.

Donations.

Planes, trains and automobiles

Now we have our awesome new road we need some vehicles so if you have any toy cars, tractors, lorries or any other road related equipment you would like to donate, the children would be very grateful.

Bark, pots, pans and utensils.

Bark is the essential ingredient in our mud kitchen cooking so we are always on the lookout for donations to keep those customers well fed! Any natural materials such as small sticks, conkers, pinecones and leaves also make good mud kitchen ingredients so if you are clearing your gardens please think of us. Alongside that we are also on the hunt for things to cook with and serve with so if you have anything you no longer need in your kitchen we will put it to good use.

Lego, pencils, pens and colouring books.

We had a lovely donation of Lego which the student council would like to put to use at lunchtimes and playtimes as many children like quiet things to do. We are therefore

panning to make two quiet spaces either side of the buddy bench on the playground one for Lego and one for colouring. To make this are, we would really like two cable reels like the ones near the lending library to use as tables. We would also like donations of pens, pencils, colouring books (used or new) and of course Lego.

Sand pit

Any buckets, spades, sieves and sand moulds you no longer want we are happy to take them off your hands.

Small couch/bean bags.

Wrap around care would really like a comfy chill out zone for the children. If anyone has a small couch or bean bags or large cushions they wish to donate please to talk to Toni.

Competition Time.

This half term we will be running our Design a Pet competition, like all other competitions this will be £1 to enter. For your animal design anything goes! This could be an animal shaped like a tiger with the loyalty of a dog and the gills of a fish. A picture with a little explanation would be great. You can choose to create anything you like but don't forget to name it! **The deadline for your new pets will be 9am on 22nd May.**

1st place prize: the winning design will be printed on a t-shirt, there will be prizes for 2nd and 3rd place also.

We couldn't have done any of the above without your support so we really appreciate all your help,

The School Council:

*Sienna, Sophia, Mollie-Rae, Samson, Zeph, Poppy, Tommy, Ayla-Rose, Finch,
Mia, Harry, Florence, Albert and Ellie.*
