Wow of the week is Ellie for getting full marks on her end of unit maths test.

Writer of the week is Ruby for her amazing perseverance and passion towards her big write.

What have we been up to?

This week in Owls & Goslings, We have finished the story 'My shadow is pink' and discussed how we are unique and wonderful in our own way. To support us in our writing we made finger space prompts by drawing around our own hands. We then used them to help us write about ourselves and what we are good at. In maths we have been investigating numbers beyond 10 and practising counting to 100 and building number beyond 9 10.

This week in Skylarks, we considered why the cross can be a symbol of hope for Christians. We learnt about El Salvador crosses made by refugees and Y1 designed their own crosses of hope. Y2 considered how we celebrate different occasions in preparation for learning about Passover. In maths we have been identifying equal and unequal parts and deciding if shapes split into 2 are half or not half. We made shape puzzles by cutting paper shapes in equal or unequal parts and challenged our friends to put our puzzles back together.

This week in Kestrels, In art we did our imagine golden thread and planned our sculptures. Our art work will be based around Antony Gormley's sculpting. After we had sketched our plan we formed the base using wire to put clay on next week.

Friends of Gooderstone

The Friends of Gooderstone had a meeting at The Bedingfield Arms on Friday 9th, thank you to all those who attended.

More meet ups are due to be scheduled, keep an eye out for information!

All support is welcome with the Friends, it would be great if you just want to come along to a meeting / event, suggest some ideas, meet the committee and members or get involved! We are here to help the school and any support little or small will mean a lot to us & Gooderstone Primary!
